BECOME AN ACTIVE PARTICIPANT IN ELECTING YOUR NEW WARD COMMITTEE.

The Stellenbosch Town Council is in the process of establishing new Ward Committees.

The primary role of ward committees is to facilitate and coordinate community participation in local government and therefore the Ward Committee System will ensure that communities themselves are at the center of all developmental planning and municipal governance matters.

We need you to become involved to perfect the Ward Committee System and therefore Council calls upon all residents, organisations and stakeholders to nominate suitable persons within your ward to serve on the ward committee.

Please note that the closing date for submission of the nomination forms has been postponed to 03 February 2017.

The election meeting will be held on 08 February 2017 at the Kayamandi Community Hall at 19h00.
