**1. SUBJECT: REQUEST FOR THE APPROVAL AND ADOPTION OF THE  
REVIEWED STELLENBOSCH MUNICIPALITY EVENTS BY-LAW, 2026**

**2. PURPOSE**

To provide Council with the pertinent facts to consider the approval and adoption of the final draft of the reviewed Stellenbosch Municipality Events By-Law, 2026.

**3. DELEGATED AUTHORITY**

Council

**4. EXECUTIVE SUMMARY**

The Stellenbosch Municipality Events By-Law was adopted and promulgated in June 2024. Following the promulgation, concerns arose from the Directorate: Community and Protection Services regarding the misinterpretation of certain provisions by members of the public. This necessitated a review to improve clarity and ensure that the By-Law is understood and applied as intended. The review process commenced during January 2025, and since then the reviewed By-Law has been advertised for public participation on three (3) occasions (29 January 2025, 30 July 2025 and 29 July 2026). In addition, further revisions were made following benchmarking workshops between Stellenbosch Municipality and the City of Cape Town as well as engagements with local schools. Comments received during the most recent public participation process (PPP) are submitted to Council for consideration alongside the final draft By-Law.

The reviewed 2026 Events By-Law aims to provide a clear, relevant and effective regulatory framework for events in the municipal area. It seeks to balance public safety, appropriate risk management and the efficient use of municipal resources with the economic, tourism cultural, sporting, academic and social benefits of events, including proportionate requirements for micro and community fitness events.

**5. RECOMMENDATIONS**

- (a) that Council takes note of the final Draft Stellenbosch Municipality Events By-Law which was advertised for a period of thirty (30) days and that copies of the proposed By-Law were placed at the venues as indicated in the advertisement, copy attached as Appendix 2 to this report; and
- b) that Council **approves and adopts** the final Draft Events By-Law, attached as Appendix 1.

**6. DISCUSSION / CONTENTS****6.1 Background**

Stellenbosch is widely recognised as a prominent tourism, cultural and academic hub within the Western Cape. The area attracts a wide range of activities including festivals, sporting events, cultural gatherings, markets, University Events and tourism-related functions. The increasing number and scale of events within the municipal area necessitate a clear and updated regulatory framework to guide event management.

The Stellenbosch Municipality Events By-Law was approved by Council and promulgated in June 2024. Following the promulgation, it became apparent that certain provisions were being misinterpreted by members of the public. In order to address the misunderstanding, improve the clarity of the regulatory framework and ensure that the By-Law is applied consistently and proportionately, the Municipality initiated a review process in January 2025. Since the review commenced, the By-Law has been advertised for public participation on three (3) occasions (29 January 2025, 30 July 2025 and 29 July 2026) allowing interested and affected parties repeated opportunities to provide input. The comments and stakeholder inputs received through these processes informed the amendments contained in the final draft submitted to Council for approval and adoption.

A key objective of the updated Events By-Law is to ensure that events taking place within the municipal area are organised and managed in a manner that prioritises public and risk mitigation. Events, particularly large gatherings present potential risks relating to crowd management, traffic congestion, emergency response and public health considerations. An updated By-Law will provide clearer regulatory mechanisms requiring event organisers to submit appropriate safety, security, medical and traffic management plans prior to the approval of an event. This will enable the Municipality to assess potential risks and ensure that adequate measures are in place.

**Public Participation Process**

On 29 July 2026, Council resolved that the user Department re-advertises the reviewed Events By-Law for public comment due to the substantial amendments made following the previous PPP, benchmarking workshops with the City of Cape Town and further engagements with local schools.

The advert was placed in the Eikestad News on 06 August 2026 and closed for public comments on 07 September 2026. The following comments were received:

| <b><u>General Public</u></b>                                                                                     | <b><u>Response</u></b>                                                            |
|------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|
| 1. The Municipality must consider a basic and simplified approval process for small, low-risk community events   | This has been considered in the reviewed By-Law.                                  |
| 2. The appointment of an accredited Waste Management Service Provider for more than 500 attendees is unnecessary | This is required to maintain reasonable environmental and public-health standards |
| 3. Comments in support of the draft by-law and new inclusions were received from the following participants:     | Noted                                                                             |

**6.2 Discussion**

Events are established occurrences within the Cape Winelands and contribute significantly to the attractiveness of the Stellenbosch Municipal area as a tourism, cultural, sporting and academic destination. The hosting of events within the Stellenbosch Municipality stimulates local economic activity by attracting visitors who utilise accommodation establishments, restaurants, transport services, retail outlets and other local businesses. These activities support employment creation, investment and broader economic development within the municipal area.

While events generate substantial economic and social benefits, they also place demands on municipal infrastructure and services, including traffic management, fire and rescue services, environmental health and law enforcement, waste management and public open spaces. An effective regulatory framework is therefore required to ensure that events are planned and managed responsibly, with due consideration for public safety, environmental sustainability and the efficient utilisation of municipal resources. The revised Events By-Law seeks to provide greater clarity regarding the respective roles and responsibilities of event organisers and the Municipality, thereby improving coordination, compliance and risk management.

During the review process, the Municipality undertook extensive stakeholder engagements and public participation to ensure that the By-Law remains practical, relevant and responsive to the needs of the community. The final draft By-Law incorporates several amendments aimed at improving regulatory certainty while ensuring that appropriate safety and operational standards are maintained. Streamlined approvals were introduced for recurring low-risk fitness activities that do not present the same operational demands as larger commercial events. In addition, the Municipality has introduced a dedicated category for Micro (school sports events, particularly for public and rural schools) and Community Fitness Events. These amendments make provision for more proportionate regulatory framework by reducing unnecessary administrative requirements while maintaining appropriate oversight and compliance with the SASREA Act, 2010.

**6.3 Financial Implications**

None. The By-Law has been drafted using the resources within the Municipality.

**6.4 Legal Implications**

The recommendations in this report comply with Council's policies and all applicable legislation.

**6.5 Staff Implications**

This report has no additional staff implications to the Municipality.

## CHAPTER 29: EVENTS AND OUTDOOR DINING OVERLAY ZONE

### 273. Zone name and designation on map

- (1) The Events and Outdoor Dining Overlay zone may be referred to by the code (EODO) and shall cover the entire area of the Stellenbosch Municipality's zoning map.

### 274. Purpose of the zone

- (1) The purpose of the Events and Outdoor Dining Overlay zone is to facilitate the hosting of events and outdoor dining on public streets in certain circumstances, with the aim of promoting the tourism and leisure sector as a key driver of local economic development, as well as to enhance the cultural and social cohesion of communities, while protecting the amenity on which these activities rely.
- (2) A person may only organize an event with a valid permit issued by the Municipality as regulated in the Stellenbosch Municipality Events Permitting By-Law. "Event" has the same meaning as contemplated in subject By-Law.
- (3) Provide for a clear distinction between "events" and "occasional use" events, as contemplated in section 30.
- (4) Notwithstanding the intention for the overlay zone to be less restrictive with regards to the hosting of events and promoting outdoor dining on public streets, the overlay zone gives the Municipality a mechanism whereby additional measures and conditions can be imposed which can assist to avoid potential adverse impact of events and outdoor dining on the receiving environment and mitigate such impacts where they cannot be avoided.

### 275. General provisions

- (1) The primary, additional and consent uses, and development parameters set out in the applicable base zone remain applicable to any land unit subject to this overlay zone, unless varied in the provisions provided in this chapter.
- (2) Purpose-built tracks, buildings, and infrastructure to be used for events requires land use approval for the facility or amenity as contemplated in subsection (1).
- (3) Events contemplated in this chapter are exempt from the provisions of section 30(1).
- (4) A maximum of 12 events per calendar year can be hosted on an individual property, irrespective of the event being a linear event or place-bound event as contemplated in this chapter, unless otherwise stipulated in this chapter. A calendar year means a period of twelve months from January 1 to December 31.
- (5) Any event occurring on a property that takes direct access from a proclaimed road shall provide effective traffic control for safe access off such road to the on-site parking area, to the satisfaction of the Municipality.
- (6) Any event contemplated in this chapter may involve the construction of temporary structures to facilitate the hosting of such event. Temporary structures or non-permanent structures constructed purely on a temporary basis for a specific period, shall require building plan approval and shall be demolished on completion of the event for which it was erected.
- (7) Commercial services at the same venue that are not directly associated with the event, and which is not an event related activity shall require prior land use approval for such activity.
- (8) No event can be both a "linear event" and a "place-bound event", and the Municipality's Development Management Department has the sole discretion to determine the specific type of an event as contemplated in this chapter.

**276. Linear events**

- (1) A linear event means an event along a route taken from a starting point to a destination during which the event takes the form of either a recreational activity or a procession, and which may traverse a single property or a number of properties, and includes marathon, trail running, cycling and mountain biking (including E-bikes) events, but excludes the use of motorized vehicles.
- (2) An unlimited number of linear events shall be permitted in the following zones:
  - (a) Community zone.
  - (b) Transport Facilities zone.
  - (c) Public Road and Parking zone; and
  - (d) Public Open Space zone.
- (3) An unlimited number of linear events shall be permitted in the following zones, provided that the total number of people involved in the event, including any support staff or spectators are limited to the capacity of the venue or do not exceed 1000 people, whichever is the lesser:
  - (a) Education zone.
  - (b) Private Open Space zone.
  - (c) Agriculture and Rural zone; and
  - (d) Natural Environment zone.
- (4) For a linear event involving more than 1000 people, including any support staff or spectators associated with such event, a maximum number of 12 events per calendar year shall be permitted on a property with a zoning stipulated in subsection (2).
- (5) A linear event occurring on a property with a zoning stipulated in subsection (2) may not exceed:
  - (a) a maximum of 3 consecutive days; and
  - (b) a cumulative number of 12 days in a calendar year.
- (6) A linear event occurring on a property with a zoning stipulated in subsections (2)(c) and 2(d):
  - (a) must make use of existing routes, farm tracks and infrastructure.
  - (b) must include the provision of sufficient on-site parking for all vehicles associated with the event, or to the satisfaction of the Municipality; and
  - (c) may not involve any motorized vehicles.
- (7) A linear event occurring on a property with a zoning stipulated in subsection 2(a) does not include ancillary events typically associated with the primary uses thereon such as any school related functions.

**277. Place-bound events**

- (1) A Place-bound event means an event that takes place at a specific venue, or on a specific property.
- (2) An unlimited number of place-bound events shall be permitted in the following zones:
  - (a) Community zone.
  - (b) Transport Facilities zone.
  - (c) Public Road and Parking zone; and
  - (d) Public Open Space zone.
- (3) A maximum of 12 place-bound events per calendar year shall be permitted on a property in the following zones:
  - (a) Education zone.
  - (b) Private Open Space zone; and
  - (c) Agriculture and Rural zone.

- (4) A place-bound event occurring on a property with a zoning stipulated in subsection (2) may not exceed:
  - (a) a maximum of 3 consecutive days; and
  - (b) a cumulative number of 12 days in a calendar year.
- (5) Notwithstanding subsection (2), a place-bound event occurring on a property with a zoning stipulated in subsection (2)(c) that involves any amplified music such as an outdoor music concert, rave or festival, shall not be permitted to extend beyond 18h00.
- (6) A place-bound event occurring on a property with a zoning stipulated in subsections (2)(b) and 2(c):
  - (a) must make use of existing facilities, amenities, and infrastructure; and
  - (b) must include the provision of sufficient on-site parking for all vehicles associated with the event, or to the satisfaction of the Municipality.
- (7) A place-bound event occurring on a property with a zoning stipulated in subsection (2)(a) does not include ancillary events typically associated with the primary uses thereon such as any school related functions.
- (8) All place bound events, regardless of the base zoning of the property on which such event takes place, shall not continue past 22h00 without prior written permission as part of the event permit.

**278. Specific provisions: outdoor dining**

- (1) Outdoor dining means dining outdoors on sidewalks or a portion of public street with tables, chairs, and other furnishings for the purpose of selling, offering for sale, and serving food and beverages in an area set up directly outside the confines of a property with land use rights for a business premises (or equivalent)
- (2) Outdoor dining shall be permitted as a primary use right on a property zoned Public Road and Parking zone, subject to the following conditions:
  - (a) The location of the outdoor dining area must be directly abutting the confines of a property with land use rights in place for a business premises or equivalent.
  - (b) The outdoor dining area must be compliant with the technical specifications and guidelines provided in the Policy on Outdoor Dining, Trading and the use of Public Places for Commercial Ventures and Display, or any such subsequent policy or directive as the Municipality may adopt.
  - (c) The owner of a property incorporating an outdoor dining area as contemplated in this chapter must enter into a written agreement with the Municipality.
  - (d) Only temporary structures specified in the written agreement contemplated in paragraph (c) shall be permitted and shall be subject to building plan approval where applicable.
  - (e) Should a written agreement as contemplated in paragraph (c) not be concluded between the relevant parties, the Municipality may institute enforcement proceedings, either –
    - (i) as contemplated in section 273 of this By-law; or
    - (ii) in accordance with the Municipality's Roads and Streets By-law.

### NOTE:

- Events of fewer than 200 persons where there is no amplified sound or no temporary structures to be used need not submit an application. However, the Municipality may determine whether the impact and risk attached to an event of fewer than 200 persons would require the submission of an application.
- Note this excludes any specific or special application directives which the Municipality may issue from time to time, which may vary by event type, risk, size, the time of the year, duration, venue or location (for example over the festive season or public holiday or related to a type of event or specific venue/location) or impact on the transport network or any other Municipality activity.
- These timeframes do not include events applications where a land use application approval is required i.e. where an event is to be held on land which is not appropriately zoned. In such instances, the time frames for a very large event will apply.

### REQUIREMENTS:

- A formal Application detailing the name and contact numbers of the organizer, date/s, venue, nature of event and as much information as possible, and

**TO WHOM IT MAY CONCERN**

It is with deep concern that the walkers, joggers, runners, and pram-pushers of the worldwide parkrun community have been denied access to parkrun events in the most beautiful part of the world – the Cape Winelands. Every corner of the world now hosts a free, timed and inclusive event at the same time, same place – for the upliftment of the communities they serve.

**WE HAND OUR HEADS IN SHAME** that this small corner of the world has denied this pleasure to so many wonderful people, for FAR TOO LONG, in a part of the world that, apart from serving its own community, hosts visitors from around the world who make parkrun part of their DESTINATION decisions.

PLEASE, CAPE WINELANDS, stop this **shame and embarrassment!** Give back our Saturday morning free, healthy, voluntary and community-spirited parkrun. **NOW!**

We support the draft amendment to the (ridiculous) by-law that is a disgrace to Stellenbosch Municipality.

Dear Lesley

I am writing in support of the draft by-law in Stellenbosch which governs events such as the weekly Parkruns.

My husband and I are retired and live in an estate in Somerset West. We love staying here and love to keep fit and active.

We need to travel far in order to take part in a Parkrun. We drive to Betty's Bay or Century City.

It would be fantastic if we could have a Parkrun in Stellenbosch or the surrounding area.

Kind regards

Dear Ms van Gensen,

I write in support of the Draft Events By-Law, 2026, published for public comment, and specifically Section 12, which addresses Community Fitness Events (Parkrun).

I am a resident with ties to the Franschhoek area and a regular parkrun participant. I support the by-law for the following reasons:

1. Section 12(b) classifies parkrun as a low-risk event. This reflects the actual nature of the activity: a free, non-competitive, timed walk or run open to the public.
2. Section 12(c) allows an annual application, annual safety plan, and proof of public liability, rather than a separate application for each weekly event. This removes an administrative burden that falls on volunteer run directors.
3. Section 12(d) gives the Events Permit Officer discretion to exempt parkrun from full event-permitting requirements, provided the event stays within the low-risk parameters set out in the by-law.
4. Section 12(e) retains compliance with the Safety at Sports and Recreational Events Act, applicable environmental and public-space legislation, and the by-law itself, so oversight and safety are not reduced.

I ask that Council adopt the by-law with Section 12 as drafted, or with amendments that keep the annual, low-risk treatment of parkrun events intact.

Yours sincerely,

Georg van Husen

Hallo Lesley,

I **support the intent of the Draft Events By-Law** but would encourage the Municipality to consider a **basic and simplified approval process** for **small, low-risk community events** such as parkruns. (Example from another area - there was an unrealistic requirement for number of volunteer marshals from another municipality, for an event was expected to only have about 100 parkrunners in the winter months)

Remember, these **parkrun events are volunteer-driven, free to participants, promote public health and social cohesion, and typically have minimal impact on municipal resources.** Reducing administrative requirements for recurring, low-risk events would help encourage community participation while allowing the Municipality to focus its resources on larger and more complex events.

Kind regards,

Good day

I support the formation of the Draft Events By-Law 2026, in particular with reference to Parkrun.

Parkrun has always been a positive, free and safe space for all, including many financially disadvantaged persons.

Many overseas visitors also add Parkruns in South Africa to their 'bucket list'

Dear Ms van Gensen,

I am submitting this comment in support of the Draft Events By-Law, 2026, currently open for public participation.

As a regular parkrun participant in the Stellenbosch, Pniel, and Franschhoek areas, I particularly welcome Chapter 3 of the draft by-law, which recognises "Community Fitness Events (Parkrun)" as low-risk events and allows them to be approved on a recurring annual basis, subject to an annual application, safety plan, and proof of public liability cover. This lighter-touch, proportionate process reflects the genuinely low risk these events pose while still safeguarding public safety, and it will meaningfully ease the administrative burden on the volunteers who make parkrun possible each week.

I would encourage the Municipality to adopt the by-law as drafted.

Kind regards,  
Dawie Krige

Dear Ms Van Gensen,

I support the Draft Stellenbosch Events By-Law, 2026. The proposed lighter-touch process for recurring community events should help volunteer-led events such as parkrun continue safely and consistently, while reducing unnecessary administrative burden.

These events provide real health and community benefits across Stellenbosch, Pniel and Franschhoek. I encourage Council to adopt the by-law.

Good day

I would like to endorse the proposed legislation concerning Parkruns.

Promotion of activity is important in our community. Parkruns encourage inactive people to start exercising. It is a wonderful community based organisation.

I have been driving to Parkruns elsewhere to participate.

Yours sincerely

I strongly support the Draft Events By-Law, 2026. Parkrun is a valuable community event that encourages people of all ages and abilities to be active, while bringing local communities together. I believe a simpler and more consistent process for recurring community events will help ensure that parkrun can continue to operate successfully with its volunteer organisers.

Being a resident in Somerset West and no longer having a parkrun in Somerset West I would support a parkrun in the Stellenbosch area.

Obviously, I would also support a parkrun in the Somerset West area as well. Hopefully a parkrun can be established close by.

I am in favour of formulating the by-laws in such a manner that Parkrun can continue as in the past at all venues that is in line with Parkrun rules and regulations.

**PUBLIC NOTICE: 125/2026**  
 RE-ADVERTISEMENT OF CALL FOR PUBLIC COMMENT ON THE DRAFT STELLENBOSCH MUNICIPALITY EVENTS BY-LAW, 2026

Notice is hereby given that Council intends to adopt the Draft Stellenbosch Municipality Events By-Law, 2026. Interested and affected parties are hereby invited to submit written comments during the 21 (twenty-one) working days advertising period. You are hereby invited to submit written comments in connection with the Draft Stellenbosch Municipality Events By-Law, 2026 by electronic mail to the Manager: Economic Development and Tourism at [Lesley.vangensen@stellenbosch.gov.za](mailto:Lesley.vangensen@stellenbosch.gov.za) on or before 07 September 2026. The Draft Stellenbosch Municipality Events By-Law, 2026 will be available on the Stellenbosch Municipality's website ([www.stellenbosch.gov.za](http://www.stellenbosch.gov.za)) and hard copies will be available at the local libraries and satellite offices as reflected in the table below.

Dear Lesley

I am very much in favour of accepting these new by-laws, as I am an avid parkrun participant and did my first parkrun at Root44 back in the beginning of 2015.

I have also participated in many different parkrun throughout South Africa and have been actively involved in managing and volunteering at a number of parkrun venues.

Parkrun has become a personal journey to many South Africans and has many wonderful benefits such as exercising, social gatherings and volunteering opportunities and is open to everyone.

The Stellenbosch District at present has no active parkrun venues opened and by allowing these new revised by-laws I am hopeful that we will have a few new parkrun venues in the near future.

Best regards, Errard

**Subject:** Public Comment: Support for Draft Events By-Law, 2026

Dear Lesley van Gensen,

Please accept this email as my formal submission in support of the proposed Draft Events By-Law, 2026.

As a regular parkwalker and volunteer in our local parkrun community, I experience firsthand the incredible value these weekly events bring to the well-being and social cohesion of Stellenbosch, Pniel, Franschhoek, Wellington and Somerset West.

However, I am also acutely aware of the administrative challenges and heavy bureaucratic load involved in organising such gatherings.

I strongly support the creation of a simplified, "lighter-touch" approval process for recurring community events. This framework will establish consistent rules while significantly easing the burden on our volunteer team, ensuring these vital community initiatives can continue to run smoothly.

Thank you for the opportunity to provide public comment.

Warm regards,  
Frieda Schips

Dear Sir/Madam,

I hereby wish to formally express my **support for the Draft 2026 Events By-law** currently open for public comment.

I believe that a clear and well-regulated framework for events is important to ensure that events within the Stellenbosch municipal area are managed responsibly, safely and in a manner that considers both event organisers and the broader community.

Events play an important role in our local economy, tourism industry and community life, and I support the Municipality's efforts to establish appropriate guidelines for their effective management.

Please accept this letter as my formal submission **in support of the Draft 2026 Events By-law**.

Kind regards,

Dear Lesley

We were deeply saddened when the Somerset West parkrun closed down a couple of months after we moved to Gordon's Bay from Langebaan, where we ran and volunteered every week..

We then heard about the Root 44 parkrun, and my husband ran and I volunteered. Imagine our dismay when a couple of months later we heard that the Root 44 parkrun was closing down.

We now drive through two or three times a month to run and volunteer at the Betty's Bay parkrun.

We have always volunteered to assist our community through Round Table, Rotary, and now parkrun.

It would be wonderful if there was a local parkrun in the Gordon's Bay / Strand / Stellenbosch areas again.

With kind regards  
Wendy Risi

Good day Lesley

Thank you for the opportunity to submit my thoughts specifically on social events/gatherings such as Parkruns.

There are a lot of global and national challenges where NEWS is all about Wars, Corruption, Murders, Theft etc the list goes. Let alone individual economic, finance challenges , unemployment challenges etc

Social events such as parkruns help in managing a lot of people 'semotions and state of mind as they are exposed to all these challenges on a day to day basis.

Parkrun are free of charge, No pressure as individuals are competing against themselves to do better or just enjoy. This helps in easing the daily burdens which are stress related.

May your good offices make it easier for Parkruns to register officially by being less strict to requirements that are hindering registration e.g Root 44 Stellenbosch Parkrun and any other Parkruns around the country. These are social events that benefit communities and bring people as one.

I hope to see Root 44 Stellenbosch back on the run.

Many thanks! Dankie! Enkosi!

Good morning

We are extremely happy with the proposed by-law changes regarding the operation of parkruns in Stellenbosch as we feel it is imperative that a major city like Stellenbosch should be the home to at least one parkrun.

Most of the proposals are positive but we feel that Chapter 3 point 12,1q regarding the appointment of an accredited Waste Management Service Provider for more than 500 attendees is unnecessary. We have completed almost 300 runs in South Africa and New Zealand and have never seen any litter generated. In fact, often the volunteers clean the course before the run begins.

If a coffee truck or a similar business wants to sell its products then we feel that it should be their responsibility to provide bins and tidy up afterwards. That is the only instance where we could imagine any litter may become an issue.

We hope you find our input helpful.

Kind regards  
Ann and Rob Campbell-Atkins

To whom it may concern

I wish to support the continued use of ParkRuns as a measure of improving community involvement in their own health and well-being. ParkRuns have shown just how important it is to exercise. Furthermore, the intensity is at participants' own level. To see communities come together each Saturday morning and run/jog/walk 5kms, is just so good. Not only for the runners but also for the volunteers. Communities bond and families meet up and further friendships are formed. Events that contribute to such health and well-being need to be encouraged. ParkRuns are free and cost city councils minimal.

Bruce Foydice (founder of ParkRuns in South Africa) has given our country a legacy far more valuable than his Comrades records. All will agree that winning nine Comrades Marathon is a hectic of an achievement. But getting people (about 1 million+) out of bed on a Saturday morning to run/jog/walk 5 km is even more of a legacy.

I give my wholehearted support to such events because I have benefitted from my participation.

To whom it may concern,

I am writing to express my strong support for parkrun and to highlight the valuable contribution it makes to our community.

Parkrun is a free, weekly, community-based 5-kilometre event that welcomes people of all ages, backgrounds, and fitness levels. It is not a competitive race, but rather an inclusive opportunity for residents to walk, jog, run, volunteer, and connect with others in a safe and welcoming environment.

The benefits of parkrun to the community are significant. Firstly, it promotes healthier lifestyles by encouraging regular physical activity. In a time when many people face challenges related to sedentary lifestyles, obesity, cardiovascular disease, and other health concerns, parkrun provides an accessible and cost-free way for individuals and families to become more active. Participants are encouraged to exercise at their own pace, making the event suitable for everyone, from young children to senior citizens.

Beyond the physical health benefits, parkrun plays an important role in supporting mental well-being. The opportunity to spend time outdoors, engage in physical activity, and interact with fellow community members helps reduce stress, combat loneliness, and improve overall mental health. For many participants, parkrun provides a sense of routine, purpose, and belonging that positively influences their quality of life.

Parkrun also strengthens social cohesion within the community. Every week, residents come together in a spirit of friendship, encouragement, and mutual support. New connections are formed, families participate together, and people from diverse backgrounds interact in a positive and meaningful way. This helps build stronger relationships and fosters a greater sense of community pride and unity.

The volunteer-driven nature of parkrun is another notable benefit. Local volunteers gain opportunities to contribute to their community, develop leadership and organisational skills, and be part of a positive initiative that serves others. This spirit of volunteerism strengthens community engagement and encourages active citizenship.

In addition, parkrun often brings visitors to local parks and public spaces, increasing awareness and appreciation of municipal recreational facilities. This encourages residents to make greater use of public amenities, promotes outdoor recreation, and contributes to safer and more vibrant community spaces.

As a free and inclusive initiative, parkrun provides exceptional value to the community. It delivers measurable health, social, and recreational benefits while creating an environment where everyone feels welcome and

Good day,

I would like to express my support for the draft Stellenbosch Events By-law and, in particular, my hope that it will help make community events such as Parkrun possible and accessible again.

As a cancer survivor, keeping fit and active is an important part of my ongoing wellbeing and therapy. Parkrun has been an ideal way for me to exercise regularly in a supportive, social and non-competitive environment.

I previously supported both the Somerset West and Root44 Parkruns and have been very saddened that they have been discontinued. I miss the opportunity to participate in these events and the positive impact they had on my physical and emotional wellbeing.

I therefore respectfully ask that consideration be given to enabling Parkrun events to operate again.

Thank you

Tessa West

Good Day,

I am writing to show my strong support to the provisions in the Draft Events By-law that recognise and accommodate regular community events such as parkrun.

parkrun (always one word, always lowercase) provides a free, inclusive and accessible opportunity for people of all ages and abilities to exercise, socialise and volunteer. It contributes meaningfully to community wellbeing, healthy lifestyles and social cohesion, while having a very low environmental and financial impact.

I believe the by-law should ensure that established weekly community events such as parkrun are not subjected to unnecessarily onerous requirements intended for large commercial events. Such events should be protected and encouraged as valuable community assets.

Regards,

Morning Yvonne,

We need your assistance again please.

Firstly, could you perhaps confirm if the attached is the latest version of the Events By-law currently in use? Or was there a later or 2026 version approved?

Secondly, we are receiving an increasing number of enquiries for one-off weddings on farms without approved venue facilities. For instance, the use of tents or outdoor areas on farms for weddings or similar private gatherings. I know we had this discussion previously, but I would just like to confirm again if an events application or permit is required for such uses? The attached version of the By-law states that only weddings in approved venues are exempted.
