6. DISCUSSION / CONTENTS

6.1 Background & Discussion

At the 24th Council Meeting dated 06 May 2010, Council resolved that the Draft Outdoor Advertising Signage By-law, be approved and be promulgated in the Provincial Gazette. The Department has investigated and confirmed that the by-law approved in 2010 was not promulgated, and therefore this by-law was used as a guideline to control, manage and enforce signage matters within the Stellenbosch Municipality.

The Directorate: Infrastructure Services commenced with a process to draft an updated outdoor signage by-law, as there were areas which falls within the functional mandate of the said directorate related to signage, specifically when such signage was located within the road reserve, which include sidewalks and that impacts the Road Safety Act.

Council therefore on 31 October 2018 approved that the draft by-law underwent a public participation process ("PPP"). A number of comments were received during this, which involved round table discussions and debates, and these comments were included, to the extent it was relevant to the objectives of the by-law. A second round of public comment was requested and approved by Council on 28 April 2021, and the 2nd draft by-law was published for comment from 14 May 2021 until 14 June 2021, copy of advert attached as **APPENDIX 4**. During this period, the only comment(s) received from the Stellenbosch Interest Group ("SIG"), copy attached as **APPENDIX 5**, which mainly related to ensure that the said by-law was aligned with the zoning categories and definitions as stipulated within the Stellenbosch Municipality Zoning Scheme By-law, 2019. Therefore, there were no significant amendments to the 2nd draft.

It must be noted that currently, the Stellenbosch Municipality which is a world-renowned tourist destination, and also comprise of areas and buildings of high valued heritage and cultural significance, is currently plagued with signage boards, including billboards, posters and specifically 3rd party signage be placed all over the municipal area. In certain instances, the signage detracts from the high valued heritage and cultural significance that has made the Municipal Area sought after tourism destination, and also has resulted in infringements of the Road Safety Act, which has resulted in Council embarking on a process to develop and duly promulgate the required legislation to ensure that outdoor advertising is duly managed and regulated.

6.2 Financial Implications

The by-law once promulgated will ensure that the enforce of illegal outdoor signage can be addressed and will also result in an increase of revenue the scrutiny fee for signage applications.

6.3 Legal Implications

The recommendations in this report comply with Council's policies and all applicable legislation.

6.4 Staff Implications

Currently, the positions to manage the administration of the signage applications are contained on the municipal organogram, and in certain instances the post are filled. It must also be noted that Council has a Law Enforcement Department, which is required to enforce municipal by-laws and policies.

Belangegroep Stellenbosch Interest Group

14 June 2021

Mr Deon Louw

deon.louw@stellenbosch.gov.za

Dear Mr Louw

STELLENBOSCH MUNICIPALITY SECOND DRAFT BY-LAW RELATING TO OUTDOOR ADVERTISING AND SIGNAGE

Please find the Stellenbosch Interest Group's (SIG's) comments on the Second Draft By-Law relating to Outdoor Advertising and Signage below.

The SIG wishes to place on record the importance for the Stellenbosch Municipality to; first, take note of the comments of Ms Claire Abrahamson relating to this By-law. Secondly, the comments of the Stellenbosch Municipality's recently appointed Senior Heritage Planner, Ms Katherine Robinson, must be obtained as she will be administering the Signage Policy. The significance of the afore-mentioned two heritage practitioners must precede and override any comments that are contributed by the SIG.

In particular, the following input from Ms Claire Abrahamson must be given immediate attention:

- *Rural landscapes are vulnerable to visual degradation through inappropriate signage, which can sometimes form an "urban intrusion" into the landscape.*
- *If a sign impacts or alters building fabric older than 60 years, application to HWC under Section 34 of the National Heritage Resources Act would be required, and comment on the proposed sign from the local heritage bodies would be appropriate.*
- *Applications for proposed new signs within conservation areas should engage with and receive the comment of any registered conservation bodies within those areas.*
- *The Municipality has a conservation team that is in the process of finalising a CMP for the whole area. It would be prudent to workshop this section of the by-law with them, to ensure that adequate control of signage in historic environments is provided.*

The SIG's concern relates in particular to the need for specific reference in the By-law to rural areas. The By-law indicates what is not permitted but gives no guidelines as to what signage should look like in this area of maximum control.

The SIG's further wishes to comment as follows:

Definitions

“**sign**” means any object, product, replica, advertising structure, ~~mural~~, device or board which is used to publicly display a sign, or which is in itself a sign and includes a poster, billboard and an advertisement which is included in the architectural design of a building or structure and which is visible from any public place;

Comment: Signs must exclude murals. Murals must be dealt with in a separate By Law. In recent decades, public murals have become a common phenomenon in urban landscapes around the world. The Stellenbosch Municipality needs to establish a Public Mural Art Policy and Regulations that employ murals as an acceptable element while maintaining a balance which reflects and influences social, political, historical, cultural, and aesthetic values in Stellenbosch. In this regard Cape Town's Mural Policy would be a possible example to adapt for the unique character of Stellenbosch and the Winelands.

Comment: Rural areas are listed as areas of maximum control. The schedules only refer to what is not permitted under the schedules 9: headline posters 11: Temporary posters, tear-drop banners, banners and flags on public roads and public places.

SCHEDULE 1: AREAS OF CONTROL P35

The table refers

Please note that the SIG considers that the text highlighted in yellow below should be added to the draft document and that the text that has been struck through should be deleted.

Urban Area – Partial Control

Commercial ribbon development and activity corridors, **unless within a conservation area.**

Commercial and business districts and adjacent streets and rail reserves, **unless within a conservation area.**

Entertainment district or complexes with commercial zones, **unless within a conservation area.**

SCHEDULE 4:

(8) ~~is not allowed on the sides of buildings around the areas of maximum and partial control.~~ Comment: The text should be omitted because it contradicts the introductory paragraph of Schedule 4: the erection or display of flat and projecting signs are permitted in all areas of maximum, partial or minimum control.

Add the following:

(9) No signs may be attached to walls or fences of residential buildings.

SCHEDULE 5: SKY SIGNS

Sky signs are not suitable for Stellenbosch or the Winelands.

(2) ~~Sky signs along the top edge of the roof of cultural, historic or architecturally significant buildings will only be permitted if they are locality bound, un-illuminated and consist of individual cut-out letters or logos.~~ Comment: This at least must be removed. Such signs should not appear on the roof of a cultural, historic or architecturally significant building.

SCHEDULE 6: ROOF SIGNS

(1b) When attached to the bottom edge of a roof or vertically midway on the roof of a building, such sign may not exceed ~~1~~ 0,5 metre in height and its total area may not exceed 25% of the roof area to which it is affixed. Comment: 1 metre is too big, consider 0.5metre and a limitation should be set for the total area if the roof is large.

2) It shall be permissible to affix a roof sign along the lower edge of a roof of a building, if such sign is composed of a single line of individual, cut-out letters, without visible bracing or support but may not be erected along more than two edges of such roof and may not exceed 3.6m² in total area; with a maximum height of ~~1~~metre 0,5metre.

SCHEDULE 7: SIGNS ON A VERANDAH, BALCONY, CANOPY, SUPPORTING COLUMNS, PILLARS AND POSTS

(1) No signs may be attached to Historical Buildings

~~(1)~~ (2) No such signs will be allowed on or over architectural features of buildings.

(2) No such signs will be allowed on or over architectural features of buildings.

Comment: Please note that columns, pillars, verandas, and balconies etc are all architectural features.

(7) Every such sign must be at right angles to the building line.

Comment: Unclear to which building line is referred.

SCHEDULE 13: LOOSE PORTABLE SIGNS

(d) that the loose portable sign, **only one per business**, ~~or proposed number thereof~~ does not detract from the amenity of the local streetscape or local environment;

(h) that a minimum clear footway width of 1,8 meters must remain clear and 2,5 meters in the **urban conservation area** ~~central business~~ district and sidewalks with high pedestrian volumes.

SCHEDULE 14: AERIAL SIGNS

(2) Aerial signs may not be flown above a public road. ~~time~~ ('time' should be deleted)

SCHEDULE 15: TRANSIT ADVERTISING

(4) The Municipality may designate sites in areas **of** ~~ad~~-minimum control for transit advertising and may publish notices indicating such sites.

The SIG wishes to thank the Municipality for the good working relationship that has been established with the committee in drafting this By-law and suggests that the task be completed by working with the Heritage practitioners that are deeply committed to improving the visual and environmental condition of our unique Municipality's historic and rural character.

Kind regards,

Patricia Botha
