Background

On 2 November 2020, the Supreme Court of Appeal (SCA) in the case of Afri-business NPC v The Minister of Finance declared the Preferential Procurement Regulation, 2017 invalid and set it aside. The SCA suspended the declaration of invalidity for 12 months. The Minister of Finance appealed to the Constitutional Court and by operation of section 18(1), the operation and execution of a decision of the SCA was suspended pending the appeal.

On 16 February 2022, the Constitutional Court in Minister of Finance v Afri-business NPC dismissed the appeal against the SCA judgement.

The Supreme Court of Appeal (SCA) declared that the Preferential Procurement Regulations, 2017 were inconsistent with the Preferential Procurement Policy Framework Act 5 of 2000 and ruled that the regulations were invalid. The court exercised its powers in terms of section 172(1)(b)(ii) of the Constitution of the Republic of South Africa, 1996 and suspended the order of invalidity for a period of twelve months and to allow the Minister to correct the defects because the main finding was that the regulations were ultra vires the Ministers regulatory authority as set out in Section 5 (1) of the PPPFA.

6.2 Discussion

On 4 November 2022, The Minister of Finance gazetted new Preferential Procurement Regulations (2022 Regulations) under the Preferential Procurement Policy Framework Act, 2000 (PPPFA) and it is aimed at aligning the regulations to the February 2022 Constitutional Court judgement.

The Preferential Procurement Policy Framework Act, 2000 (Act 5 of 2000)-[PPPFA] was promulgated by the Minister in response to the Constitutional provision and allow Municipalities to develop its own Preferential Procurement Policies and to implement such policies in line with the PPPFA framework.

- (i) contracting with persons, or categories of persons, historically disadvantaged by unfair discrimination on the basis of race, gender or disability.
- (ii) implementing the programmes of the Reconstruction and Development Programme (RDP) as published in *Government Gazette* 16085 dated 23 November 1994.

In light of the above provisions within the PPPFA, Act 2000, the Stellenbosch Municipality have drafted a new PPP Policy in conjunction with the other municipalities in the Western Cape as well as the Provincial Treasury and this new policy seek to give effect to the above-mentioned sections within the Preferential Procurement Policy Framework Act. The New PPP Policy will be a combination of BBEEE points together with points for Local enterprises within the boundaries of the WC 024.

The New Preferential Procurement Policy was tabled at Council in November 2022 and thereafter advertised for public comment (**ANNEXURE B**). No comments were received.
