## 1. OBJECTIVE

It is essential that representatives of this municipality from time to time travel in order to establish and maintain links and relationships with other municipalities, government bodies, and other parties, institutions and organizations operating in the sphere of local government. It should also be read together with paragraph 2 of MFMA Circular 82 of 30 March 2016 as well as the Cost Containment Regulations as far as it is applicable to travel and subsistence issues.

This policy sets out the basis for the payment of a subsistence travel allowance, hourly rate when applicable and for the purpose of such official traveling.

**In the event of any conflict between a provision of this policy and the Cost Containment Policy, the latter policy shall apply.**

## 2. TRAVEL

### 2.1 *Responsibilities of Representatives who travel on Business of the Municipality*

- a) Every representative who travels on the business of the municipality must comply with this policy in letter and in spirit.
- b) Representatives who travel on the business of the municipality must take note that their actions, conduct and statements must be in the best interest of the municipality, and they must comply with any specific mandates they have been given.

### 2.2 Air Travel

- a) **The Accounting Officer in respect of all officials or political office bearers and the Executive Mayor in respect of the Accounting Officer only approve the purchase of economy class tickets for air travel.**
- b) All flights by representatives of the municipality shall be in economy class, unless another class of travel is specifically authorized by-
  - (i) the executive committee, with regard to Holders of Public Office and the Municipal Manager, or
  - (ii) The Municipal Manager, with regard to officials and applicants for interviews

### 2.3 International Travel

- a) International travel for any official or political office bearer can only be approved by the municipal council in a meeting open to the public with a supporting vote of the majority of the members of the municipal council present.
- b) The report to council for approval of international travel must include:
  - (i) A motivation why the international travel is seen as critical and fully setting out the anticipated benefit that the municipality will derive from attending the event, meeting or function;
  - (ii) If international travel to the destination or event was previously undertaken, state what benefits if any derived from the previous attendance;
  - (iii) The full cost of the international travel including travel allowances and visas if applicable to be paid; and
  - (iv) The proposed officials and political office bearers, not exceeding three, to travel and why they have been identified.
- c) The following events will not be considered critical to justify international travel whether the full cost of the travel is paid by another institution or not:
  - (i) Attendance of international sporting events;
  - (ii) Attendance of international social events;
  - (iii) Attendance of international party-political events;
  - (iv) The opening of another country's parliament or any other country's government's celebration events.
- d) The accounting officer or delegated official must ensure that requirements for international travel by officials or political office bearers are not inserted into bid documents, whether it is for inspection of products at source of construction/assembly or for any other reason.

## 2.4 Car Rental, Travel Costs and rates

- a) Only "A" or "B" category vehicles may be rented, unless it is more cost-effective to hire any other category (for example, when the number of representatives involved could justify the hire of a micro-bus).
- b) Car rental must be approved as part of the travel package before the trip is embarked on. A representative who rents a vehicle whilst traveling on the business of the municipality without having received prior authorization will only be reimbursed for the cost of the vehicle rental if proof of expenditure can be produced and the representative can demonstrate that vehicle rental was reasonably but unexpectedly necessitated by the circumstances.
- c) Parking and toll fee – actual cost will be reimbursed via Petty Cash after the submission of proof of expenditure.
- d) If a representative has to utilize his or her personal motor vehicle, he or she will be reimbursed at the tariffs listed below. The distance to which the reimbursement applies, must be the shortest distance via tarred road between the municipality's offices and the location where the official business is to be transacted.
  - o Councillors:

Will be reimbursed in terms of the Private Column of Department Transport monthly circulars pertaining to Tariffs for the Use of Motor Transport to a maximum of R4.50 per kilometer.
  - o Officials with vehicle/car allowance:

Will be reimbursed at a flat rate of R4.50 per kilometer where motor vehicles are used and R2.00 per kilometer where motor cycles are used. Where it is possible to fly to a destination, but the official prefers to drive with his own vehicle, the lower value between kilometer claim and a flight ticket will be used as basis for reimbursement.
  - o Officials who are in receipt of an Essential User Transportation Allowance:

Will be reimbursed according to the official Cost Tables contained in the "Essential User Scheme: Transport Allowance" circulars of the South African Local Government Bargaining Council – Western Cape Division applicable.

Commented [A1]: Also in line with Upper Limits Gazette

- o Officials without a car allowance and Members of a Committee: established in terms of applicable legislation, as per the Rate per kilometer fixed by the Minister of Finance under section 8(1) (b) (ii) and (iii) of the Income Tax Act, 1962. . If the total number of kilometers for which such reimbursement is received exceeds 8 000 in any tax year, reimbursement for the excess kilometers over 8 000 must be taxed for PAYE purposes. If the cost of any one trip exceeds that of an air ticket, the lesser amount will be paid.

The number of employees travelling to conferences or meetings on official duty for the same matter is limited to three (3) employees, unless otherwise approved in advance by the relevant Director, or Accounting Officer in the case of Directors travelling.

- e) Similar to the above, the number of employees travelling by air to other centers to attend an official engagement on the same matter is also limited to three (3) employees, unless otherwise approved in advance by the relevant Director or Accounting Officer in the case of Directors travelling.
- f) For the purpose of this policy, domestic travel shall mean travel within South Africa, and international travel shall mean travel to any country other than South Africa.
- g) The Accounting Officer will when appropriate determine an hourly rate for the different committees serving Council.
- h) Notwithstanding the above provisions, all employees must make use of shuttle services if the cost of such services is below the cost of hiring a vehicle.
