1. BACKGROUND

In 2007, Stellenbosch Municipality initiated a process to prepare a General Valuation (GV) Roll of all property situated within the geographical boundaries of Stellenbosch Municipality (WC024) in terms of the requirements of the Local Government: Municipal Property Rates Act, 2004 (Act 6 of 2004) including any subsequent amendments and consequential regulations (the MPRA) which became effective on 1 July 2009 at Stellenbosch Municipality.

This Policy is formulated in terms of Section 3 of the MPRA.

2. LEGISLATIVE CONTEXT

2.1 In terms of Section 229 of the Constitution, 1996 (Act 108 of 1996), a municipality may impose rates on property.

2.2 In terms of Section 4 (1) (c) of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000), a municipality has the right to finance the affairs of the municipality by imposing, *inter alia*, rates on property.

2.3 In terms of Section 2 (1) of the MPRA a metropolitan or Local municipality may levy a rate on property in its area in accordance with the provisions of the MPRA.

2.4 This Policy must be read together with and is subject to the provisions of the MPRA.

2.5 In terms of Section 62 (1) (f) (ii) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003) (the MFMA), a municipality must have and implement a rates policy as may be prescribed by any applicable national legislation.

2.6 In terms of Section 8(1) of the MPRA, the Municipality will, as the primary instrument, levy rates on the use of property, but implemented as per paragraph 5.5 of this Policy.

2.7 All citations to applicable Acts as referenced in this Policy shall include all amendments and regulations to such as promulgated.

3. GUIDING PRINCIPLES

3.1 The rating of property will be implemented impartially, fairly, equitably and without bias, and these principles also apply to the setting of criteria for exemptions, reductions, and rebates contemplated in Section 15 of the MPRA.

3.2 The rating of property will be implemented in a way that:-

- is developmentally oriented;
- supports sustainable local government by providing a stable and buoyant revenue source within the legislative ambit of the Municipality;
- supports local and socio-economic development;
- promotes simplicity, uniformity, and certainty in the property rates assessment process;

- gives due consideration to the need for simple and practical process of billing and collection of property rates;
- promotes sustainable land management, especially that which reduces the risk from natural disasters;
- achieves national and local environmental management objectives; and
- balances the affordability by ratepayers versus the financial sustainability of the Municipality.

3.3 Other principles that will steer the processes of this Policy:

- All ratepayers within a specific category will be treated equally and reasonably.
- The Municipality will, when levying property rates for each financial year, take cognizance of the aggregate burden of rates on property owners in the various categories of property ownership.
- Rates Increases/Decreases will be guided by the budget requirements of the Municipality, and by Section 20 of the MPRA.
- In dealing with the poor/indigent ratepayers the Municipality may provide relief measures through exemptions, reductions or rebates.

3.4 Further determinants that will guide the processes of this Policy:

- The Zoning Scheme of the Municipality determines, via the provisions therein, the zoning and thus the legally binding use of a given property.
- However, the rating of said property is governed by the MPRA which determines a collection of rules that by implication sets the conditions by which the use of a property is categorised. It is therefore possible that even though an owner is using a property within the set rules of the Zoning Scheme, said property would not be rated on the same basis due to the definitions and provisions as applied according to the MPRA and this Policy.
- Moreover, such categorisation instituted according to the MPRA or this Policy does not condone any unlawful use of a property regardless of circumstances.

4. DEFINITIONS

In this Policy, a word or expression derived from a word or expression as defined, has a corresponding meaning unless the context indicates that another meaning is intended.

The following four definitions in the MPRA are only shown for clarity:

“Exclusion”, in relation to a municipality's rating power, means a restriction of that power.

“Exemption”, in relation to the payment of a rate, means an exemption granted by a municipality.

“Reduction”, in relation to a rate payable on a property, means the lowering of the amount for which the property was valued and the rating of the property at that lower amount.

“Rebate”, in relation to a rate payable on a property, means a discount granted on the amount of the rate payable on the property.

In addition to the definitions contained in the MPRA, the following definitions apply for the purpose of the application of this Rates Policy.

5. IMPOSITION OF RATES

- 5.1 The Municipality shall as part of the annual budgeting cycle, set for each category a rate, (being a cent amount in the Rand) that will be imposed, in accordance with the MPRA, on the market value of a property, for all rateable properties as recorded in the Municipality’s valuation roll, drawn up in terms of the MPRA. The amount so determined together with any relief measures as described in this Policy shall be the Rates due and payable by the owner of said property.

The levying of rates forms part of the Municipality’s annual budget process as set out in Chapter 4 of the MFMA.

Details of the resolution pertaining to the rate for each of the various property categories are to be published in the *Provincial Gazette* as set out in Section 14 of the MPRA.

- 5.2 The rates charged as a cent amount in the Rand for the residential property as per paragraph 6.1 (a) of this Policy is the base rate and the rate charged to all other categories of properties are reflected as a ratio to the residential rate if so prescribed by Regulations promulgated in accordance with the MPRA.
- 5.3 The Municipality will be guided by the definition of “ratio” in the MPRA and directed by Regulations pertaining to rate ratios as promulgated in terms of Section 19 of the MPRA and as applicable to the prescribed non-residential properties.
- 5.4 For properties used for multiple purposes, the Municipality may apply the category of multiple use. For such properties, the Municipal Valuer will apportion a value to each distinct use and apply the appropriate category for billing at the applicable rate.
- 5.5 For the purposes of determining a property’s category, the Municipality will determine such as per Section 8 of the MPRA. It should be noted that the Municipality considers permitted use to be appropriate on vacant properties and that all other properties would be categorised according to the actual use of said property.

5.6 Building Clause references

Obligations pertaining to Building Clauses as per the development agreements or contracts will under the obligation or constraint of Section 19(1)(d) not be administered as part of the valuation nor the rating processes.

5.7 Period for which rates are levied

The Valuation Roll will, according to Section 32(1) of the MPRA, remain valid for a General Valuation cycle of four years.

5.8 Valuation value constraints

- (a) For the purposes of valuing a property, no valuation value shall be less than R1 000 unless the valuer determines that said property's valuation value must be zero.
- (b) For administrative purposes all valuation values exceeding R1 000 may be rounded to the nearest R1 000 interval.

6. CATEGORIES

6.1 Categories of Property

Property Categories, each of which correlates to a distinct use of a property, have been determined as described below.

The codes that have been associated with each property Category are listed in paragraph 18.1 of this Policy. In addition, paragraph 18.1 identifies the attributes and criteria that determines the basis for application.

The Municipality will apply the following property Categories:

Item	Category (of property)	Purpose/Use
(a)	Residential	Refer Section 1 ("Definitions") in the MPRA and the defined term "Residential Purposes" as per paragraph 4 in this Policy.
(b)	Industrial	Refer the definitions as per paragraph 4 in this Policy.
(c)	Business and commercial	Refer the definitions as per paragraph 4 in this Policy.
(d)	Agricultural	Refer Section 1 ("Definitions") in the MPRA and the defined term "Agricultural Purposes" as per paragraph 4 in this Policy.
(e)	Mining	Refer Section 1 ("Definitions") in the MPRA.
(f)	Public Service Purposes	Refer Section 1 ("Definitions") in the MPRA.
(g)	Public Service Infrastructure	Refer Sections 1 and Sub-sections 17(1)(a) and 17(1)(aA) in the MPRA.
(h)	Public Benefit Organisation	Refer to Section 8(2)(h) in the MPRA.

(j)	Heritage	Refer Section 15(2A)(b) in the MPRA.
(k)	Vacant Residential	Vacant and Permitted use set as Residential.
(l)	Vacant Other	Vacant and Permitted use not set as Residential.

6.2 Categories for Relief Measures

The Municipality will consider relief measures on rates, being Exemptions, Rebates and/or Reductions on properties, according to various criteria as described in this Policy.

The codes (referred to as the Rebate Codes), associated with the specific relief measure, are listed in paragraph 18.2 of this Policy.

7. APPLICATION OF RATING

The Municipality will, in addition to the various criteria referenced above, apply the following criteria when rating a property:

7.1 Vacant Properties

The Category of Vacant properties will be determined according to the property's permitted use and these properties will not qualify for any relief measures.

Vacant property of which the permitted use has been set as residential will be rated as per the Vacant Residential Category.

Vacant property of which the permitted use has not been set as residential will be rated as per the Vacant Other Category.

Any vacant property registered in the name of the Municipality will be categorised as a Vacant Other Category and exempted from paying property rates.

Normally, Agricultural properties will not be considered as being vacant, however this consideration lapses if the ambit (scope) of either of the terms "*agricultural activities*" or "*bona fide farmer*" as defined in this Policy is not relevant or cannot be applied to said property.

7.2 Multiple use Properties

Properties with multiple uses as per Section 9 of the MPRA may be categorised for each distinct use as determined by the Municipality and which category will be applied for billing at the appropriate and applicable rate.

The different uses will be grouped into two or more components. The first component, which will be determined by the largest apportioned area of the property will be the primary component; the other components (sub-components) will be identified by their generalised functional name.

The category of the primary component of such a property will be directed in the first instance by the dominant use of the property, but at the sole discretion of the Municipality.

A multiple use property may qualify for the valuation exclusion as per paragraph 8.2.1 (i) of this Policy, provided that at least one of the components has been categorised as residential. Sub-components will not be eligible for the reduction as per paragraph 8.2.1(ii).

Sub-components may not be categorised for any of the following categories: Public Service Purposes, Public Benefit Organisation nor any vacant category.

7.3 Public Service Purposes Properties

Properties used for Public Service Purposes will be categorised as per paragraph 6.1 (f) of this Policy and will be rated at the applicable rate. The exclusions, exemptions, rebates and reductions relating to the usage of properties as detailed in this Policy and the MPRA, will apply if applicable.

7.4 Public Service Infrastructure properties

The Municipality will apply the rate ratio as set out in the MPRA to public service infrastructure.

The Municipality acknowledges that Sections 17(1)(a) and 17(1)(aA) of the MPRA provides for the distinct grouping of kinds of public service infrastructure as in the “public service infrastructure” definition in Section 1 of the MPRA.

These groups will be processed respectively as either a PSI formulae code or a PSIE formulae code as referenced by the table in paragraph 18.1. For such properties for which the Municipality is the owner the formulae code MUNP will be used.

The Municipality will impose the 100% exclusion under the PSIE formulae code as directed by Section 93B of the MPRA.

For properties under the PSI formulae code the Municipality will impose the 30% exclusion as directed by Section 17(1)(a) of the MPRA and grant on the 70% remainder a further 100% exception.

7.5 Rural Properties

The categorizing and/or qualification of all rural properties will be dealt with at the sole discretion of the Municipality.

7.5.1 *Agricultural Use*

The Municipality will apply the rate ratio as set out in the MPRA to properties that are used for agricultural purposes by *bona fide* farmers. These properties will however not qualify for any relief measures.

For a property to be categorised as agricultural, processes and structures fundamental to agricultural activities on that farming unit, will be considered. Structures such as a dwelling used by the farmer and farm employees will be considered integral to such processes.

The Municipality may consider applying multiple use categorisation as per paragraph 7.2 if any structures are not used exclusively for agricultural purposes, or the structures are used for delivering or selling services or products to/for customers.

The Municipality deems property with extent less than one hectare not to be agricultural property.

7.5.2 *Alternate Criteria and Use*

- (a) Where a property in a rural area is being used for business, mining, or industrial purposes, such as truck depots, construction yards, restaurants, functioning venue, guesthouses, and/or factories, said property will be valued and rated according to the category for business, mining or industrial properties as applicable. The Municipality may however, consider valuating said property as a Multiple Use Property (refer to paragraph 7.2 of this Policy).
- (b) Properties in rural areas that are primarily used for residential purposes will be valued and rated as residential properties and may thus qualify in terms of the

definition of residential property for the applicable relief measures (refer to paragraph 8 of this Policy).

- (c) Owners of a property in rural areas which is not categorised as agricultural, but which in the opinion of the owner should be agricultural, must apply (refer to paragraph 14.1 of this Policy) for a revaluation, submit documentation as required by the CFO and declare in an affidavit, that no contraventions of the criteria for agricultural activities are taking place on the property. The application will be dealt with according to the supplementary valuation process.

7.6 Municipal Properties

Municipal-owned properties which are leased in terms of a lease agreement or those properties which are allocated to beneficiaries but not yet transferred, will be rated as per the provisions of this Policy. The exclusions, exemptions, rebates, and reductions relating to the usage of properties as detailed in this Policy and the MPRA, will apply if applicable. The rates of said non-exempted property will be passed on to the lessee or the allocated beneficiary.

All other Municipal-owned properties as described in Section 7 (2) (a) (i) of the MPRA, will be exempted from paying property rates and Special Rating Area rates.

For administrative purposes it should be noted that by 1 July 2023 all exemptions as applied to municipal owned properties will be changed to exclusions.

7.7 Special Rating Area (SRA)

The Municipality may consider the application for a Special Rating Area (SRA) provided that the owners of the predefined demarcated area have approved the budget and the specifics relating to such SRA. The process must adhere to Section 22 of the MPRA and to the Municipality's Special Rating Area Policy and By-Law.

The budget for such SRA will be raised via a pre-determined tariff applied on the municipal valuation of each property. This pre-determined tariff is linked to the annual budget proposal and would therefore be unique to a specific SRA and for a given financial year.

7.8 Land Reform Beneficiary properties

The Municipality will determine a Land Reform Beneficiary that corresponds to the use of such property. The said determination will be applied for billing at the appropriate and applicable rate.

The Municipality will however exclude such properties from rates for a period of 10 years subject to Section 17(1)(g) and phase-in the rates as per Section 21(1)(b) of the MPRA.

7.9 Adjoining properties

The Municipality acknowledges that there are residential properties, registered in the name of the same owner, which are used basically as if such properties were one property.

For the above, the deemed secondary component [the adjoining property] shall be classified as a RESA formula code and will therefore not be eligible for the reduction as per paragraph 8.2.1(ii).

The Municipality will apply the RESA formula code for units in a Sectional Title scheme such as a garage or a storage unit. Consequently, these properties or units will not be eligible for the reduction as per paragraph 8.2.1(ii).

The Municipality will not consider any notarial links between any property.

Administratively a link between the adjoining property and its associated parent property must be set so as to facilitate tracking of such pairing.

8. RELIEF MEASURES

8.1 Applying relief measures on Rates

Notwithstanding that the Municipality is obligated as per the MPRA to exclude specific properties or parts thereof from rating, the Municipality will consider applying relief measures on property rates, being Exemptions, Rebates and/or Reductions as described in this Policy.

- (a) The Municipality may grant exemptions, rebates and/or reductions to the categories of properties and/or categories of owners that meet the specified criteria as indicated in sub-paragraphs of paragraph 7 above or as indicated below.
- (b) The Municipality will exclude specific properties or parts thereof as indicated in sub-paragraphs of paragraph 7 above or as indicated below.
- (c) The Municipality will not grant relief in respect of payments for rates to any category of owners or properties other than that as provided for in this Policy, nor to owners of properties on an individual basis.
- (d) Any application (when required or as requested) for a relief on rates must be submitted as per paragraph 14.1 of this Policy.

8.2 Residential Property

8.2.1 The Municipality will not levy a rate on the initial portion of the valuation of a residential property being the sum of:

- (i) the first R15 000 exclusion on the basis set out in Section 17 (1) (h) of the MPRA; and
- (ii) on a further R235 000 reduction, provided it does not exceed the remaining valuation in respect of a residential property, or the primary component of a multiple use property, that is categorised for *residential purposes*, as per the definition in paragraph 4 of this Policy.
 - This reduction will only apply if the total valuation of said property does not exceed R 5 000 000.

- All sub-components of a multiple use property as per paragraph 7.2 of this policy, and the secondary component of adjoining properties or units of a sectional title scheme as per paragraph 7.9 of this policy, do not qualify.

The above where applicable, will be applied once only per property.

8.3 Senior Citizens and Disabled Persons

Designated owners being registered owners of properties or allocated beneficiaries as per paragraph 7.6 of this Policy who are senior citizens or who are disabled persons may qualify for a rebate according to their *household income*.

To qualify for the rebate referred to above, the designated owner must be a natural person, registered as a South African citizen. If not a South African citizen, the designated owner must be the registered owner of the property within the jurisdiction of the Municipality and must submit proof of his/her permanent residency in South Africa. The property in question must satisfy the residential property requirements as per this Policy and in addition to the above-mentioned, the designated owner must also:

- 8.3.1 Occupy the property as his/her normal residence; and
- be at least 60 years of age, or in receipt of a disability grant; and
 - be in receipt of a monthly *household income* not exceeding the highest income amount as referenced in the table of paragraph 8.3.4 of this Policy; and
 - when being the designated owner of more than one property, a rebate will be granted only on the occupied property; and
 - where the designated owner is unable to occupy the property due to no fault of his/her own, the spouse or minor children may satisfy the occupancy requirement; and
 - where the occupant of a residential property is a senior citizen or a disabled person and is the usufructuary of the property, he/she may satisfy the occupancy requirement.
- 8.3.2 Apply as per paragraph 14.1 of this Policy with proof of income, which may include proof of a SARS assessment, or any other relevant document as requested.
- 8.3.3 If the property in question is alienated by the designated owner, then that owner would be liable for the *pro rata* rates, inclusive of the pension rebate. The new owner will be liable for the full *pro rata* portion of the rates excluding any pension rebates.
- 8.3.4 The percentage rebate granted to different monthly *household income* levels will be determined according to the schedule below. The income bands and rebates for the effective financial period of this Policy are as follows:

Gross Monthly <i>Household Income</i>				% Rebate
Income bands				
	Up to		8 000	100%
From	8 001	to	10 000	75%

From	10 001	to	12 000	50%
From	12 001	to	15 000	25%

8.4 Conservation Area

The Municipality will exclude those portions of a property within the ambit of a conservative area as defined in this Policy.

The apportioned value of any portion of such property, utilized for any purpose other than that used for such conservation purposes, or developed and used for commercial, business, agricultural or residential purposes will be categorised accordingly and rated at the applicable rate as described in paragraph 7.2 of this Policy.

The Municipality will apply Section 17 (2) of the MPRA upon withdrawal of said property from the conservation agreements inferred in Section 17 (1) (e) of the MPRA.

8.5 Religious Organisations

In terms of Sections 1 and 17 (1) (i) of the MPRA, the Municipality will not levy a rate on a property used primarily as a place of public worship by a religious community, including the official residence which is occupied by the office bearer of that community who officiates at services at that place of worship.

The Municipality will apply Section 17 (5) of the MPRA if as per Section 17 (5) (a) of the MPRA said property is no longer used or has been disposed by the religious community.

8.6 Stellenbosch Special Rebate

The Municipality may, for the organisations not meeting all the criteria for public benefit organisations as described in paragraph 8.7 below, nor the criteria for NPO organisations as described in paragraph 8.8 below, consider a rebate of 20% which shall be identified as “Stellenbosch Special Rebate” (SSR).

This rebate will only be applicable to said organisations that apply as per paragraph 14.1 of this Policy for such rebate.

8.7 Public Benefit Organizations (PBO)

The Municipality will apply the rate ratio as set out in the MPRA to public benefit organisations.

As per the MPRA the specific public benefit activity listed in Item 1 (Welfare and Humanitarian), Item 2 (Health Care), and Item 4 (Education and Development) of Part I of the Ninth Schedule of the Income Tax Act will be applicable and must be conducted/executed on said property.

All Public Benefit Organisations must annually submit, according to paragraph 14.1 of this Policy proof of their status as per the above criteria. A SARS TAX Clearance Certificate may be required as well.

8.8 Non-Profit Organizations (NPO)

An organisation must be registered as a Non-Profit Organisation (NPO) under the Non-profit Organisations Act, 1997 (Act 71 of 1997) to be considered as a candidate for the relief measures described below.

Organizations listed in paragraph 8.8.1 below that are operated as not-for-gain (declared or registered by law) or organisations that execute activities as per Item 6 (Cultural), item 7 (Conservation, Environment and Animal Welfare) and Item 9 (Sport) of Part 1 of the Ninth Schedule to the Income Tax Act may receive a rebate. All abovementioned organisations being privately controlled must be the owner of said properties.

These rebates are not applicable to any vacant land irrespective of its zoning or intended usage unless stated otherwise in this Policy.

All NPO must annually submit, according to paragraph 14.1 of this Policy proof of their status as per the above criteria. A SARS TAX Clearance Certificate may be required as well.

Abovementioned organisations which have a total revenue/income as defined in the schedule of paragraph 8.8.2 of this Policy will receive a rebate as set in said schedule.

8.8.1 Prescribed not-for-gain organisations

(a) *Health and welfare institutions*

Privately owned properties used exclusively as a hospital, clinic, mental hospital, orphanage, non-profit retirement village, old age home or benevolent institution, including workshops used by the members or patients, laundry or cafeteria facilities.

(b) *Charitable institutions*
