PREAMBLE

In terms of Section 96 of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) a Municipality shall-

- (a) collect all money due and payable to it, subject to the provisions of said Act and any other applicable legislation and By-laws; and
- (b) for this purpose, implement and maintain a credit control and debt collection policy which is consistent with its Rates and Tariffs policies, and which complies with the provisions of said Act.
- (c) In order to give effect to the afore going provisions of said Act, the Council of the Stellenbosch Municipality (WC024), herein after referred to as the Municipality, has adopted a policy relating to credit control and debt collection as set out hereinafter.

1. PRINCIPLES

This Policy supports the following principles:

- (a) Human dignity must be upheld at all times.
- (b) This Policy must be implemented with equity, fairness and consistency.
- (c) Endeavours shall be focused such that data related to owners/debtors/~~consumers~~ and accounts are correct at all times.
- (d) The implementation of this Policy shall be based on sound business principles, which may include credit worthiness checks and assessments of the credit risks involved.
- (e) New services will only be provided if supported by the relevant service contract(s) being duly completed. Payment of the applicable consumer deposit will be the primary means to cover said contract obligation.

Any deviation from the payment of the consumer deposit will be directed by the sole discretion and due consideration/approval by an accountant or more senior official in the Municipality's Revenue Department.

Alternatively, to the payment of a deposit a bank guarantee in a form acceptable to the Municipality's Chief Financial Officer will be considered.

- (f) Interest on overdue accounts will be charged at the South African Reserve Bank's prime interest rate plus one percent and will be levied on applicable accounts outstanding after the relevant due dates thereof. For the purposes of calculation, a portion of a month will be deemed to constitute a full month.
- (g) Deposits/Bank guarantees will be utilised to proactively mitigate the potential of unnecessary credit risk exposure to Council.
- (h) An administration fee and/or collection fee ~~will~~may be charged on overdue accounts, according to Council's approved tariffs and the By-laws of Stellenbosch Municipality (WC024).
- (i) The rates components on overdue accounts may be processed in terms of Sections 28 and 29 of the Local Government: Municipal Property Rates Act, 2004 (Act 6 of 2004) (MPRA) and as described in the Rates Policy of Stellenbosch Municipality.

2. MUNICIPAL ACCOUNTS and ADDITIONAL MECHANISMS

2.1 Notices and Demands

The Owner's/Debtor's/~~Consumer's~~ attention is drawn to the note on the municipal account, which states that the supply of services will be discontinued/restricted without further notice if the accounts are not settled in full. This serves as a warning to a defaulting owner/debtor/~~consumer~~ that services will be discontinued/restricted upon defaulting on payments.

Notices, e-mails, cell phone text messages (SMS) or any available informative actions will however be issued to account holders as a first attempt (first notice) after the due date as a means to recover debt and to remind ~~consumers/debtors/owners~~owners/debtors of their obligation to pay for services.

The aim of such reminders is to urge co-operation to settle accounts without the necessity to employ more drastic steps and to offer the opportunity to make arrangements to pay off such debt where the financial position of an owner/debtor ~~consumer~~ is such that relief is possible as per criteria in the Municipality's Rates or Indigent Policies.

Failure to respond to the aforesaid first notice will result in the disconnection and/or restriction of services and a final demand being issued where applicable.

Failure to respond to a final demand and in the event of arrears not being settled within the period stipulated in the final demand, or an arrangement not being concluded, legal action may be instituted (with the Municipality's rights reserved, notwithstanding the fact that services were disconnected/restricted or not) to recover the full outstanding debt.

In this regard the Municipality may consolidate any separate accounts of an owner/debtor, credit a payment by an owner/debtor against any account of that owner/debtor and implement any of the measures provided for in this policy or the Credit Control and Debt Collection By-law in relation to any arrears of any of the accounts of such an owner/debtor.

In the case of housing rental contracts, the Municipality may consider procedures for eviction or right sizing.

2.2 Additional Mechanisms

2.2.1 Electricity Services:

In the event of an owner/debtor/~~consumer~~, failing to pay for electrical services due and payable, and in the event of such consumer having been placed on the disconnection list 3 times within a twelve (12) month period prior to such event, then

Stellenbosch Municipality will have the right to install pre-paid electricity meters in a bid to limit credit risk. The Municipality may also consider upward adjustment of the relevant consumer deposit/bank guarantee.

2.2.2 Water Services:

- (a) The Stellenbosch Municipality may in the event of an owner/debtor/~~consumer~~ exhibiting a trend of non-payment of accounts during a twelve (12) month period prior to a non-payment event (i.e. 3 times or more non-payment events) consider the installation of water demand management devices with pre-paid functionality in a bid to limit credit risk. The Municipality may also consider upward adjustment of the relevant consumer deposit/bank guarantee.
- (b) In addition to the above, Stellenbosch Municipality will restrict water usage on a property for a high-usage non-paying owner/debtor/~~consumer/user~~ or a non-paying indigent owner/debtor/~~consumer/user~~ if such owner/debtor/~~customer/user~~ fails to pay for water usage in excess of 6k/ (kilolitre). These restrictive measures will be applied on said property as described and according to the table below.

The process to limit the outstanding debt basically follows a three-stage approach. The stages corresponding to the limiting levels as per the table below are dependent upon the level of usage at the commencement of debt management and the “Category of usage” of the property. The stages are administered as follows:

- (i) It will be incumbent of the owner/debtor/~~customer/user~~ to present proof of occupancy if in the opinion of said owner/debtor/~~customer/user~~ the number of persons on the property is different as to the “Category of usage” applied by Stellenbosch Municipality. Upon any proven discrepancies the Stellenbosch Municipality may apply the necessary corrective actions to address the issue at hand.
- (ii) The lowest stage of service for any “Category of usage” is the “Free Basic Service” level [6k/ (kilolitre)].
- (iii) If the defaulting owner/debtor/~~customer/user~~ is using more than the monthly usage of the “1st Restrictive limit” as per the table below at the commencement of debt management, the owner’s/debtor’s/~~customer’s/user’s~~ maximum usage will be set to the corresponding “1st Restrictive limit” level.
- (iv) If the defaulting owner/debtor/~~customer/user~~ is not using more than the monthly usage of the “1st Restrictive limit” then the level will, at the commencement of debt management, be set based upon the range of a given lower level within which said owner’s/debtor’s/~~customer’s/user’s~~ usage corresponds.

- (v) Upon the owner/debtor/~~customer/user~~ defaulting after any previous stage had been set and to mitigate further debt the service level will be downgraded from the highest level at the commencement of debt management via reactionary stages until that owner/debtor/~~customer/user~~ is at the lowest stage of service.
- (vi) The timeframes for the implementation of the downgrading from the highest level to the lowest level will be determined and implemented by the Municipality on date of defaulting by the owner/debtor/~~customer/user~~. These timeframes between stages may be different for the owners/debtors/~~customers/users~~ involved.
- (vii) After the implementation of any restrictive measures as describe ~~above, and above and~~ said owner/debtor/~~customer/user~~ has fully paid the outstanding debt, the Stellenbosch Municipality may after consideration and approval by the Manager Revenue or the Accountants in the Credit Control Section reverse the restrictive measures, but nevertheless in discreet ascending stage steps. Each stage will be time managed to prove successful payment of usage during said stage before any other stage is considered. If the owner/debtor/~~customer/user~~ should however default during this process all restrictive measures will be reverted in discreet downwards stage step from the stage on which the owner/debtor/~~customer/user~~ was at the time of defaulting.

Category of usage	Free Basic Service	2 nd Restrictive limit	1 st Restrictive limit
1 to 6 persons or Indigent households	200/ per day up to 6k/ per month	Not applicable for this "Category of usage"	400/ per day up to 12k/ per month
7 to 9 persons	200/ per day up to 6k/ per month	400/ per day up to 12k/ per month	750/ per day up to 22.5k/ per month
10 or more persons	200/ per day up to 6k/ per month	400/ per day up to 12k/ per month	1000/ per day up to 30k/ per month

2.2.3 Rental Services:

Actions against defaulters are regulated to a degree by the contracts involved.

All contracts must at minimum and where appropriate, include the following criteria/requirements:

- (i) Due date for payments.
- (ii) Applicable procedures upon the defaulting of payments.
- (iii) Handover procedures.
- (iv) Eviction or right sizing actions.

3. ARRANGEMENTS

Should owners/debtors/~~consumers~~ wish to make arrangements to pay off accounts in arrears, the following guidelines shall apply:

- (a) The main aim of arrangements should be to ensure that current accounts (which may include penalties/interest and/or any admin fees) are at least paid in full, before entering into acceptable arrangements to pay off arrears.
- (b) The Municipality may enter into an arrangement with a tenant or occupier of a property which is linked to an account in arrears, on proviso that:
 - (i) a written affidavit is received which certifies that the registered owner/debtor of said property, at which such tenant or occupier resides; is:
 - untraceable;
 - not contactable;
 - of unknown whereabouts; or
 - not co-operating with said tenant or occupier.
 - (ii) such tenant or occupier has substantiated the ability to pay and the right to occupation stating the rental due and the time period of such occupation and providing the last known address of the registered owner/debtor;
 - (iii) such tenant or occupier undertakes to advise the registered owner/debtor, at the first reasonable opportunity of the current situation and further agrees to obtain the consent of the registered owner/debtor to condone the process as described in this paragraph 3 (b); and
 - (iv) where applicable, such tenant or occupier provides comprehensive details of the non-co-operation of the registered owner/debtor.
- (c) Care must be taken to ensure that all reasonable financial and social assistance, as provided for in various Municipality's Policies, is rendered to assist owners/debtors/~~consumers~~ before drastic action is taken to recover debt e.g. subsidies for Free Basic Services and relief measures on property rates.
- (d) All arrangements must be concluded in writing and the owner/~~debtor~~ must be provided with a copy thereof. Arrangements will be invalid unless signed by the owner/~~debtor~~ and one or more delegated representative(s) of the municipality.
- (e) Arrangements must be entered into that are both affordable to the owner/debtoreconsumer and protect the Municipality's interest by ensuring the most cost-effective debt recovery.

- (f) Arrangements must be final, and owners/debtors will not be allowed to re-arrange debt repayments. The Municipality may for a meritorious case, upon presentation of proof of current difficulties, consider delaying the receipt of the arranged instalment. This delay may not exceed 3 months.
- (g) It is of vital importance to ensure that the settlement of current accounts (which may include penalties/interest and/or any admin fees), together with the debt repayment instalment, is seen as the minimum requirement for any agreement.
- (h) Arrangements must be compiled in a format that facilitates legal action, upon breach of contract. Written arrangements must as far as possible be in the form of agreements in terms of Section 57 of the Magistrate's Courts Act, 1944 (Act 32 of 1944) and as amended by the Jurisdiction of Regional Courts Amendment Act, 2008 (Act 32 of 2008) (hereinafter referred to the Section 57 Agreements).

All debt repayment arrangements will be logged on the financial system to ensure maximum accessibility and to enable the effective administration of such repayments.

- (i) Arrears of Councillors and other Municipal Officials must be settled in full or arrangements to pay off such amounts, by means of salary deductions, may be entered into. This includes the seizure of bonuses, or any other additional allowances (this paragraph (i) must be read in conjunction with the relevant sections of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000)).

The Stellenbosch Municipality is entitled to recover all arrears more than ninety days by means of salary deductions and proportionally from increases and/or the official's bonus/performance bonus. In this regard, all temporary contract workers are also regarded as municipal officials.

- (j) No interest will be levied on outstanding amounts for which arranged agreements have been entered into.
- (k) It is a preferable that a water demand management device, pre-payment water meter and/or a prepaid electricity meter be installed when any arrangement is entered into.
- (l) Arrangements may only be concluded upon submission of the following documentation:
 - (i) Proof of identification;
 - (ii) Proof of Income;
 - (iii) Supporting documentation relating to expenses;

- (iv) Three-month bank statements and/or payslips; and/or
- (v) Any other relevant documentation as may be requested by the Credit Control Section.

4. ADJUSTMENT OF DEPOSITS/BANK GUARANTEES

Deposits/Bank guarantees may be increased to cover the additional risk as regulated in terms of the Municipality's By-Laws.

Increases in deposits/bank guarantees shall be utilised to cover the additional risk resulting from default payments. Deposits/Bank guarantees may be increased by an amount up to three times or more of a monthly average consumption as determined by the Municipality.

The necessity for any deviation of said payment will be directed by the sole discretion and due consideration/approval by an accountant or more senior official in the Municipality's Revenue Department.

The latter deposits will be utilised only after closing of account by an owner/debtor or transfer of property. Should the account remain unpaid, such deposit will be utilised for the unpaid portion. Any credits will be refunded to the owner/debtoreconsumer.

The Stellenbosch Municipality will not pay any interest on any deposits.

5. FURTHER ACTIONS

- (a) Should arrangements not be concluded or adhered to, services will be discontinued or restricted. The Municipality must ensure that a fair and equitable procedure, including reasonable notice of the intention to discontinue or limit has been followed.

Where legislation does not allow for the complete termination of services, the Credit Control Section will determine the applicable minimum level of service provision, where after, all amounts owing become due and must be paid in full before services are restored to full capacity.

- (b) Should amounts owed not be settled by the final date, i.e. after the date for payment set out in a final demand, such accounts and the relevant Agreements, where applicable, will be handed over to the Municipality's Collection Attorneys for recovery and/or to consider instituting further legal action.
- (c) The Municipality shall at its own discretion in compliance to the measures provided for in the Municipality's By-Laws, be entitled to withhold or limit the

supply of services until the total costs, penalties, other fees, services, and rates due to the Municipality have been paid in full.

This may include the restriction of supply of water or electricity to an owner/debtor who is found guilty by the Municipality or any Court of Law:

- (i) of fraud or theft of water and/or electricity,
 - (ii) any another criminal activity relating to the supply or unauthorised consumption of water and/or electricity, or
 - (iii) if it is evident that fraud, theft or any other criminal activity has occurred relating to such supply or consumption.
- (d) Stellenbosch Municipality may consider an auxiliary levy of up to 50% on the purchase of pre-paid electricity/water to recover arrear debt.
- (e) Stellenbosch Municipality may consider black-listing consumers in cases where the consumer was handed over to institute legal proceedings.
- (f) The Municipality may attach the rental income in whole or in part from a tenant or occupier of a property which is left unpaid by the owner/debtor thereof, provided that Section 115 of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) is adhered to.
- (g) Once the Municipality has exhausted all reasonable and practicable debt recovery measures, in an effort to recover outstanding debt, the Municipal Manager will have sole discretion to approve the litigation process for the disposal of the movable and/or immovable assets of defaulting owners/debtors/consumers by means of a Sale in Execution order.

6. NEW APPLICATIONS FOR SERVICES

- 6.1 No transfer of services from an owner/debtor to a tenant (Organ of State property excluded) will be allowed. The status quo of contracts signed before 01 July 2011 will be maintained, provided that the tenant does not default on payments.
- 6.2 The owner/debtor or his/her proxy applying for a service to be rendered must be positively identified by means of a generally acceptable means of identification as used by financial institutions. A copy of the identification details (such as a copy of the person's ID and proof of residence (for business owners/debtorsusers)) must be kept for reference purposes.
- 6.3 The amount of a service deposit/bank guarantee will be based on tariffs as determined by the Council.
- 6.4 Adjustments to deposits/bank guarantees ~~will~~may be determined by the owner's/debtor's payment record of municipal accounts and consumption levels.

- 6.5 The provision of all services will be subject to the signing and acceptance of the conditions of supply contained in a service contract.
- 6.6 Where the consumer is not the owner/debtor of a property, the owner/debtor must on his/her request, regularly be served with a copy of a statement of the amount due.

- 8.2 Claims of not having received an account do not constitute a valid reason for non-payment of accounts.

Queries regarding such non-receipt must be followed up with the Revenue Section in order for same to be addressed.

A consumer liable for any services rendered by, or rates due to the Municipality must furnish the Municipality with an address where correspondence can be directed to.

Consumers should be encouraged to provide the Municipality with e-mail addresses where accounts or any documents processed by the Municipality could be sent to, rather than traditional postal addresses.

8.3 Duplicate accounts shall be available upon request at a prescribed fee.

8.4 Accounts in Dispute

8.4.1 Should an account in respect of water or electricity consumption be disputed, the concerned consumer must at minimum pay the average amount of the previous 12 (twelve) month's accounts. This shall be applicable only for the month in which the dispute was raised. Subsequent accounts issued in months thereafter (barring any new dispute raised) shall be considered unrelated to the dispute in question.

Upon extraordinary circumstances the date above may be temporary amended by the Municipal Manager to a reasonable date.

10. ALLOW SUFFICIENT TIME TO SETTLE ACCOUNTS

In order to allow sufficient time to settle accounts, the account should, where possible, be ready for delivery at least two weeks before the due date.

This necessitates proper scheduling of all processes leading to the issuing of accounts to meet the Municipality's commitment to its consumers.

In order to reduce cost and to enhance credit control and debt collection measures, separate accounts for services rendered in respect of a property or separate accounts of an owner/debtor will be consolidated as far as possible. - 16.2.3 Care should be taken to obtain full and accurate information of such owners/debtors and to obtain prepayment for such services where possible.
- 16.2.4 Actions applied to follow up unpaid accounts will be determined by the nature and extent of the debt and the cost effectiveness of such actions.

17. CONDITIONS RELATING TO RENTAL AND PURCHASING OF MUNICIPAL PROPERTY

- 17.3 Other specific rental and purchase agreements are tailored to the specific nature and requirements of such transactions.
- 17.4 Full details of remedies for defaulting lessees and purchasers and procedures to address such defaults must be contained in the relevant contracts but must not have the effect of limiting the Municipality in terms of this or any other Policy regulating arrears.
