SPATIAL PLANNING, HERITAGE AND ENVIRONMENT

7 PLANNING ADVISORY COMMITTEE SCRUTINY FEE

7.1 Planning Advisory Committee Scrutiny fees (Aesthetics Committee) are charged when a matter needs to be submitted to the Planning Advisory Committee (Heritage/Aesthetics Committee) for scrutiny, when buildings are older than 60 years or situated in the historical core. The fees are payable per application and are categorized as follows:

7.1.1 Minor alterations to existing buildings <500m²;

7.1.2 Major alterations to existing buildings >500m² and new developments.

8 COMPLEXITY FEES (ADDITIONAL FEES FOR HIGH IMPACT APPLICATIONS) AND AMENDMENT OF URBAN EDGES.

Description

8.1 Additional fees are charged on top of the basic application fees when a Heritage Impact Assessment (HIA), Environmental Impact Assessment (EIA) and Traffic Impact Statement / Assessment (TIA/S) are required, since such applications are more complex and involve more work. The complexity fees are charged to cover additional expenses due to the processing of complex applications, resulting from the fact that such applications normally are more complicated to process and due to the fact that it requires input from specialised staff which would not normally be involved in the assessment of applications which doesn't require an impact statement/assessment. The EIA and HIA fees are charged up front like all other fees if the application requires assessment in terms of the NEMA and/or NHRA. If an EIA and/or HIA fee has been paid when the SPLUMA/LUPA/By-law application was submitted and it turns out in the end that it did not lead to a full EIA / HIA, the EIA/HIA fee is not refundable. Complexity fees are charged per assessment/study.

9 APPLICATION FOR SIGNAGE

9.1 Application fees for signage (including flags) are paid in respect of each sign applied for. A minimum fee for signs smaller than 1m² is in place, but when signs are larger than 1m², the minimum fee plus the enhancement fee will be payable for every additional m².

This exemption only applies to applications made by Council or where Council is the developer. All other government institutions must pay the normal fees.
- 10.3 [All applications for a zoning certificate from provincial or national government are exempted from the application fees applicable to zoning certificates for state owned land.](#)
- [10.4](#) Applications for the establishment of state, provincial and/or council subsidised housing schemes are exempt from all the application and other fees in the attached table. Advertising fees are payable in this regard. Application fees are, however, applicable in subsidised housing areas after the establishment of the areas has been completed; subject to the conditions in the establishment of any of the less formal townships.
- [10.45](#) All applications required to address / give effect to successful resettlement claims in terms of the Restitution of Land Rights Act, as well as in cases where land has been allocated to a successful claimant, such claimant is allowed to submit only one application, for residential development only (but including subdivision, removal of restrictions, etc, related to such residential development), which application(s) are exempt from all the application and other fees in the attached table. Advertising fees are payable in this regard. If a successful land claimant submits a mixed-use development application (which includes non-residential development) on land so obtained, such non-residential development gets charged the normal fees as specified for such application, including advertising and service of notice fees, as if the non-residential part of the application is a separate application from the residential part of the development. In cases where a successful land claimant submits a purely non-residential development application (which does not include any residential development) on land so obtained, such non-residential development application is subject to all the fees applicable to any other similar application which wasn't obtained by way of the Restitution of Land Rights Act/Rural Act 9.
