Applicants will still be required to do reservations for their tests during weekdays, excluding Fridays. This arrangement will commence from 09 February 2019 and continue through to 21 December 2019.

Please note: No vehicle dealer's transactions will be processed on the above dates. The extended services will be done at the Stellenbosch Traffic Services Department only. Franschhoek Offices will not open during this period. Registered vehicle owners are reminded that annual license renewals must be done within 21 days after expiring date of the existing vehicle licence discs to avoid fines and interest on arrears. It is the responsibility of vehicle owners to check their individual vehicles license discs and renew when it is necessary.
