1. NASHUA agrees to:

- (a) Maintain the equipment in an efficient operating condition. Nashua shall not be liable for any loss, including consequential loss, arising from the malfunction or failure of the equipment to function or from any other cause whatsoever. Any repairs or service required by the customer due to misuse or negligence or outside normal working hours may, at Nashua's option, be charged to the customer in accordance with Nashua's current service charges and conditions.
- (b) Supply developer and liner at Nashua's current prices applicable at the date of delivery of such consumables.

2. The Customer agrees to:

- (a) Use only paper and consumables approved by Nashua. Paper and Consumables may be purchased from Nashua at prices applicable at date of delivery.
- (b) Pay Nashua as set out in the schedule of charges. The charge includes service, parts and labour, but excludes paper, developer and other consumables. This charge may be varied from time to time at Nashua's discretion without notice.
- (c) Provide two operators as "principal operators" to be trained on the use of the equipment. The Customer shall notify Nashua, in writing, of a change of these personnel.
- (d) Provide access at any time during normal working hours to any authorized representative of Nashua for any of the purposes of this agreement.
- (e) Accept liability for damage to the equipment if the damage is due to negligence on the part of the Customer or its employees or persons who have access to the equipment.
- (f) Pay amounts due to Nashua on receipt of invoice, failing which Nashua may summarily and without notice suspend supply of the service and consumables until all outstanding amounts due to Nashua are paid.
- (g) Supply Nashua, in a manner determined by Nashua from time to time, with a meter reading for each piece of equipment every month, where applicable.
- (h) Comprehensively insure the equipment at its own cost against all risk including acts of God, power surges and lightning, and maintain such insurance policy for the duration of its contract.
- (i) Keep the goods in its custody and under the control of the premises mentioned in the Continuous Service Agreement and shall notify Nashua of the removal thereof to other premises.
- (j) In the event of the machine being out of commission due to Customer non-usage, or in storage for a period exceeding 90 days, Nashua reserves the right to charge at current rates for re-commissioning the equipment.

3. This agreement shall commence on installation of the equipment and shall be for an initial period of 60 months and thereafter for an indefinite period subject to the right of the Customer or Nashua to terminate the agreement upon not less than 90 days written notice. All parts shall be chargeable at the expiration of this initial period.

4. TONER INCLUSIVE  YES / NO  
 Where toner is included in a copy charge, Nashua will supply toner free of charge for the copier equal to the copy yield, as per the manufacturers specifications at a rate of 6% coverage, being one toner cartridge for every 2000 copies. Any extra toner that may be required for the machine will be for the customer's account at Nashua's applicable pricing at the time.

5. Should the equipment be utilized in excess of the recommended monthly usage as stipulated by the manufacturer, an additional service fee as outlined in D below will apply.

6. Software (operational and application software) related problems are not covered by this contract, and are subject to labour and travel charges, for the customer's account. Licensed Software packages in use must be available on site. It is the customer's responsibility to maintain proper backups of all data. Should the system fail, Nashua will not be held responsible for any lost data. Nashua cannot be held responsible for any losses, consequential or other, in the event of data loss due to backup program failure.
