MUNISIPALE KENNISGEWING/ MUNICIPAL NOTICE 62/2023

DELAY WITH CONSTRUCTION OF THE SIDEWALK ALONG R44- PARADYSKLOOF / VERTRAGING MET DIE KONSTRUKSIE VAN SYPAD LANGS DIE R44/PARADYSKLOOF

Geagte Inwoner

Vertraging met die konstruksie van sypaadjies langs die R44 Paradyskloof is veroorsaak deur 'n onbekende stormwaterstelsel, wat destyds onder die sypad aangebring was en nie op planne aangetoon was nie, wat addisionele konstruksie werk meebring het.

Die Munisipaliteit moes dus eers aandag aan die stormwaterstelsel gee, voordat werk op die sypad kon voortgesit word. Werk aan die stormwaterstelsel is nou afgehandel en konstruksie werk aan die sypad is weer hervat. Die werk aan die sypad sal binne die volgende vier (4) weke afgehandel word.

Alle pogings word aangewend om die ongerief tot die minimum te beperk en u word byvoorbaat bedank vir u geduld en begrip gedurende die konstruksie periode. Skakel gerus 021 808 8222 of whatsapp 076 951 0768 vir verdere navrae.

Groete

Dear Resident

When construction of the sidewalk on the R44 near Paradyskloof commenced, it came to light that an old stormwater system was located underneath the sidewalk. It should be noted that the stormwater system was initially not indicated on Municipal Plans and additional work on the system was required, which resulted in delays during construction. Work on the stormwater system is now completed and further construction on the sidewalk has resumed. It is expected that the work on the sidewalk will be complete within four (4) weeks.

Every effort will be made to minimize inconveniences, we thank you in anticipation for your understanding and patience. For further enquiries please contact 021 808 8222 or send a whatsapp to 076 951 0768

Regards

Johan Fullard
