

NOTICE

RELOCATION OF THE DEPARTMENT OF DEVELOPMENT MANAGEMENT

Please note that the offices of the Department of Development Management (Land Use Management and Building Development Management) are relocating from the present Eikestad Mall Offices.

The relocation will happen during the period of Friday 21 October 2022 up to Thursday 27 October 2022. Any personal visit to the offices and access to staff of the Department will consequently not be possible for the duration of the relocation.

During this period all key staff to be available via electronic mail and all staff will continue to deliver services insofar as it is practically possible. All telephone lines will be re-directed as an interim measure to a temporary call center. Messages will be taken and conveyed to the relevant staff for follow up purposes once they have access to all communication resources.

There may however be temporary disruptions with access to telephones and e-mail facilities during this period of relocation and your understanding and patience will be appreciated.

The address of the new offices of the Department of Development Management from Friday 28 October will be:

NPK Building (1st Floor)

20 Plein Street (Corner of Plein Street and Van Ryneveld Street)

Stellenbosch

The Department will attempt to limit the impact of this relocation on service delivery to the minimum. We do however apologize in advance for any inconvenience that this relocation may cause.
