MUNICIPAL NOTICE 16/2019

NEW SERVICE PROVIDER APPOINTED FOR PARKING MANAGEMENT IN THE STELLENBOSCH CENTRAL BUSINESS DISTRICT

Stellenbosch Municipality has recently appointed a new service provider to do parking management for public parking within the central business district. The new parking management system will migrate from the current cash system to a full cashless system which will accommodate different methods of payment transactions.

Parking marshals of Street Parking Solutions will accept payment via Credit Card (Master Card, Visa and Amex), Debit Card, Tap and Go Smart Card as well as SnapScan. Parking can only be paid through these electronic channels.

NO CASH WILL BE ACCEPTED FOR PARKING PAYMENT.

Street Parking Solutions will be managing and operating both the On-Street Parking as well as the Off-Street Parking within the central business district and surrounds (peri urban areas) on behalf of the Stellenbosch Municipality as from Monday, 1 April 2019.

Street Parking Solutions is an experienced parking management operator, which has been managing parking for The City of Cape Town since 2006.

The Municipality through Street Parking Solutions, will create job opportunities for the inhabitants of the Stellenbosch Municipality and will employ between 40-50 Parking Marshals to manage the Stellenbosch CBD and peri urban areas.

Street Parking Solutions employees will all be clearly identifiable through their uniforms and equipment.

Street Parking Solutions can be contacted at Stellenbosch@streetparkingsolutions.co.za if any additional information is required.
