1. INTRODUCTION

- 1.1 This policy for the establishing of special rating areas must be read together with the Local Government: Municipal Property Rates Act, Act 6 of 2004 (“**MPRA**”) and the Municipality’s Special Rating Area (SRA) By-laws (the By-Law), as in force from time to time.
- 1.2 All words and phrases defined in the MPRA and the By-Law have the same meaning in this Policy.
- 1.3 In the event of any conflict between the provisions of the By-Law and the provisions of this Policy, the By-Law prevails.
- 1.4 The Policy needs to be read together with the Municipality’s Rates Policy.

2. AIM OF THE POLICY

This Policy aims to .

- 2.1 Set out Council’s position on special rating areas and the factors that will influence Council’s decision whether or not to institute a particular Special Rating Area.

- (a) enhance and supplement the municipal services provided by Stellenbosch Municipality;
 - (b) facilitate investment in the special rating area;
 - (c) facilitate a cooperative approach between Stellenbosch Municipality and the private sector in the provision of municipal services;

- (a) social and economic development; and
 - (b) a safe and healthy environment in a way which balances the guiding principles underlying its Rates Policy.
- 4.4 Special rating areas allow property owners within an explicitly defined geographical area to improve and upgrade their area by means of a property rate in addition to the standard property rate.

5. FACTORS CONSIDERED WHEN DETERMINING A SPECIAL RATING AREA

The Council will consider instituting a special rating area where the requirements of Section 22 of the MPRA are complied with, including that .

- 5.1 the purpose of the special rating area is to allow an additional rate to be levied on property in the defined area to raise funds for improving or upgrading the area; ¹
- 5.2 the special rating area will not be used to reinforce existing inequities in the development of the Stellenbosch Municipality (WCO24) area of jurisdiction; ²
- 5.3 the determination of the special rating area is consistent with Stellenbosch Municipality IDP; ³
- 5.4 residential special rating areas mean an area in which more than 40% (forty percent) of the rates based municipal valuation value consists of Residential Property as defined in the Rates policy.
- 5.5 any residential special rating area must comply fully with the provision of the By-Law, save that, with reference to the majority support the applicant must provide written proof to the Council that owners of rateable property within the boundary of the special rating area who own not fewer than 60% (sixty percent) in number of such properties, approve the formation of the special rating area.

- 5.6 the majority of members of the local community who will be liable for paying any additional rate in the special rating area have consented to its establishment; ⁴
- 5.7 the procedural requirements of Section 22 of the MPRA ⁵ as well as the By-Law and the Policy are complied with, including the community consultation requirement, as determined by the Municipality's Chief Financial Officer (CFO);
- 5.8 the proposed improvement or upgrade has been clearly and fully defined;
- 5.9 the proposed improvement or upgrade can be clearly and logically linked to a geographical area, the boundaries of which must be clearly determined;
- 5.10 there is evidence that it will be financially viable to use a special rating area to raise funds for the proposed improvement or upgrade;
- 5.11 Stellenbosch Municipality is satisfied with the institutional arrangements proposed in respect of the special rating area; and
- 5.12 Ultimately, the decision whether or not to determine a special rating area rests with the Council in its sole discretion.

6. APPLICABILITY OF STELLENBOSCH MUNICIPALITY'S RATES POLICY AND OTHER POLICIES

- 6.1 Stellenbosch Municipality's Rates Policy applies with the necessary changes to this Policy. In particular, and without limiting the generality of the foregoing, the exemptions, rebates and reductions set out in paragraphs 6.8 (~~%Senior Citizens and Disabled Persons+~~) and 6.12 (~~%Non-Profit Organisations+~~) of Stellenbosch Municipality's Rates Policy apply with the necessary changes in relation to the levying of an additional rate for special rating area purposes.
- 6.2 Notwithstanding the provisions of paragraph 6.1 above, when Stellenbosch Municipality grants a partial rebate as set out in paragraph 6.8 (~~%Senior Citizens and Disabled Persons+~~) of the Rates Policy, the relevant property owner will be granted a full (100%) rebate in relation to the additional rate.
- 6.3 Other policies approved by the Council apply with the necessary changes, to the collection of additional rates in terms of the Policy, the By-Law and Section 22 of the MPRA, including, but not limited to, Stellenbosch Municipality's Credit Control and Debt Collection Policy.

7. PROCESS

This Policy sets out .

- (a) the institutional arrangements for special rating areas (paragraph 8)
- (b) the establishment requirements which must be followed (paragraph 9);
- (c) the information which needs to be submitted to Stellenbosch Municipality in order to motivate a request for determination of a special rating area (paragraph 10);and

- (d) the annual requirements which must be followed (paragraph 11);
- (e) the amendments and/or extension of term for a special rating area (paragraph 12);
- (f) the dissolution requirements which must be followed (paragraph 13)
- (g) financial arrangements (refer paragraph 14).

8. INSTITUTIONAL ARRANGEMENTS

Section 22 of the MPRA is not prescriptive as to the structural arrangements which need to be put in place to administer a special rating area. The two broad structural arrangements that will be supported by the CFO are the following:

8.1 Administration by Stellenbosch Municipality

8.1.1 If the applicant chooses to use Stellenbosch municipality as its service provider the following must be adhered to:

- (a) The proposed improvements or upgrades must meet the aims and objects of this Policy;
- (b) The respective Council Directorate(s) must enter into an agreement to provide or manage the required services;
- (c) The necessary support for the proposed improvements or upgrades must be obtained;
- (d) The CFO must establish ring-fenced accounting (votes) and record-keeping systems in respect of the income derived from the additional rate as set out in MPRA; and ⁶
- (e) The CFO will pay any expenses out of income generated by the additional rate.

8.1.2 The following provisions of the By-Law and the Policy are not applicable to special rating area administered by the Municipality: sections 10, 11 and 12(4) to 12(8) of the By-Law and paragraph 8.2 of this Policy.

8.2 Administration by the Non-Profit Company

8.2.1 If the applicant proposes that the services/upgrades will be managed and implemented by them, Stellenbosch Municipality will require the ratepayers within the special rating area to establish and participate in an appropriate structure to carry out planning, contracting, financial control and administrative functions within the special rating area.

8.2.2 This option does not entail ratepayers setting the additional rate, which under law can only be done by Stellenbosch Municipality (paragraph 14).

8.2.3 The ~~an~~ administration by the Non-Profit company+ option gives a higher degree of control and autonomy to ratepayers and, from the perspective of ratepayers who have promoted the special rating area, may be the preferred option.

8.2.4 Because this option places funds collected by government in the hands of the private sector, the requirements set out in this Policy must be met.

8.2.5 The functions of the structure would include:

- (a) Determining the funding required each year (refer paragraph 14.2);
- (b) Appointing contractors or service providers to effect the improvement/s or upgrade/s;
- (c) Receiving the additional rate collected by Stellenbosch Municipality and expending the funds in accordance with the approved Business Plan.

8.2.6 Structural requirements when administered by the Non-Profit company:

- (a) Before Stellenbosch Municipality will consider allowing ratepayers in a special rating area to carry out administrative and other functions in relation to the area, the Steering Committee must establish a Non-Profit company (company not for gain) as per the Companies Act, Act 71 of 2008 (as amended or replaced) (~~the~~ Companies Act) for that purpose. The provisions of the Companies Act must be complied with, particularly those relating to non-profit companies (which effectively replaced Section 21 companies as per the old Companies Act, Act 61 of 1973), subject to the transitional provisions contained therein;
- (b) The founding documentation (~~the~~ Memorandum of Incorporation) in relation to the structure established by ratepayers (this is equivalent to the Memorandum and Articles of Association, as per the old Companies Act, Act 61 of 1973), must be as per the prescribed format determined by the CFO;
- (c) The Non-Profit company must be managed under the Companies Act, and also comply with any other legislation as a result of the financial connections to Council; and
- (d) The Non-Profit company must give a written notice to all the property owners within the special rating area of the intention to hold an Annual General Meeting (AGM) on the date stated in the notice by advertising in the local newspaper and in one English and one Afrikaans daily newspaper;
- (e) A Special General Meeting (~~the~~ SGM) must be called within 6 months of the establishment of the Non-Profit Company. The purpose of the SGM is to:
 - (i) Accept new members;
 - (ii) Appoint directors;
 - (iii) Amend the Memorandum of Incorporation if required; and
 - (iv) Approve the following year's Budget and Implementation Plan (refer paragraph 14.2).
