**The following groups have been identified for the discounted tariffs:**

- (i) Schools located within the WC024 for an official school function: discounted tariff of 30% on the rental of a hall for the function to a maximum of one (1) function per financial year. Deposit fees must be paid in full.
- (ii) Churches located within WC024 for an official church function: discounted tariff of 30% on the rental of a hall for the function to a maximum of one (1) function per financial year. Deposit fees must be paid in full. Proof of location/residence will be required.
- (iii) Churches using a hall on a regular basis:
  - a Sermons are limited to 2 (two) hours per Sunday to accommodate other denominations/religious groups at the venue.
  - b The two Town Halls (Stellenbosch and Franschoek), are excluded.
  - c The grant is subject to availability of the hall.
  - d A formal agreement will be entered into between the parties.  
A once-off deposit fee per financial year applies as per the approved tariffs. If forfeited due to damage, etc, this will have to be repaid before access for the next event/ service will be granted.
  - e In addition, a rental fee equivalent to the tariff for 1 day applies as a monthly fee. The fee specific to the specific hall will apply.  
To accommodate churches during the week, the halls may be used for a maximum of two (2) additional bookings during the week over and above the Sunday sermon. This will be at no additional charge (included in e) above).
  - f Furniture will be free of charge, but must be arranged and put back after the sermon by the hirer.
  - g
  - h Due to the constraints on municipal overtime, no municipal officials will be available on weekdays or weekends to perform any supervisory functions or assistance.
- (iv) Non-Governmental Organisations: 30% discount on rental of a hall or facility excluding the relevant deposit fees (which must be paid in full). Furniture, kitchen and utensils are free of charge.
- (v) Government Departments in other spheres of Government: 30% discount on rental of a hall or facility excluding the relevant deposit fees (which must be paid in full). Furniture, kitchen and utensils are free of charge.
- (vi) The six recognised vulnerable groups namely Aged, Disabled, Children, Youth, Women and People living on the Streets: 30% discount on rental of a hall or facility excluding the relevant deposit fees (which must be paid in full). Furniture, kitchen and utensils are free of charge. This discount is not available to individuals but is focused on interest groups representing the vulnerable groups.
- (vii) Individual families registered as indigent at the Municipality will be entitled to a 30% discount on rental of a hall or facility excluding the relevant deposit fees (which must be paid in full): Furniture, kitchen and utensils are free of charge. This rebate is for a maximum of one (1) booking per financial year per indigent family and the two Town Halls (Stellenbosch and Franschoek are excluded).
- (viii) Organisations promoting the Greater Stellenbosch: 30% discount on rental of a hall or facility excluding the relevant deposit fees (which must be paid in full). Furniture, kitchen and utensils are free of charge. The following are examples of rebates that will be approved:
  - Van Der Stel Festival
  - Wine Festival (Previously Food and Wine Festival)
  - Flower Show (Stellenbosch and Pniel)
  - Stellenbosch Festival
  - Bastille Festival
  - CANSA sub-organizations within the WC024.

- (ix) Free access to municipal halls for youth activities. Provided that prior arrangement is made with the relevant staff.
- (x) Free access to municipal halls for Ward Councillors for functions such as: Meetings, Workshops or any other Ward-related activities. This access will only be granted to a maximum of 2 (two) events per month. This is not transferable for any other festivals, parties, dances, fund raisers, etc.
- (xi) The rebates mentioned in paragraphs i), ii), iv), v), vi) and vii) will only be considered for weekdays. All applications must be in writing and submitted to the Director: Community and Protection Services.
- (xii) The Director: Community and Protection Services may consider motivated applications for discount in line with the abovementioned and approve rebates.

**2. METHOD OF PAYMENT**

- 2.1 Fees can be paid in cash, by cheque or electronically.
- 2.2 Cheques and postal orders must be made payable to: Stellenbosch Municipality.

**3. TIME OF PAYMENT**

- 3.1 Fees are due on submission of the building plan application.
- 3.2 No processing of applications may commence until the fee/s is/are paid.

**4. PROOF OF PAYMENT**

- 4.1 A receipt must be issued to the applicant for all fees received. A copy of the receipt must be attached to the application.

**5. REFUNDS**

- 5.1 All fees payable are set fees and are not deposits.
- 5.2 Applications are valid for 12 months from date of payment.

**6. SUBJECT TO CHANGE**

- 6.1 All fees and business rules are subject to change.
- 6.2 The fees applicable at the time of submission of the application are payable.

**7. EXEMPTIONS**

- 7.1 The following applications are exempt from the payment of scrutiny fees:
- Applications from Central or Provincial Government for work funded by the Government and for use by Government Departments.
  - Building Plans for all buildings and structures erected for and by the Local Authority. (Plans must be submitted and approved prior to construction.)
  - All applications required to address / give effect to successful resettlement claims in terms of the Restitution of Land Rights Act, as well as in cases where land has been allocated to a successful claimant, such claimant is allowed to submit only one application (building plan), for residential development only which application(s) will be exempted from building plan fees as per normal fees.
  - Applications from Orphanages and Homes for the Aged registered under the National Welfare Act 79 of 1965.

- The Director: Planning & Economic Development may grant or refuse applications for the exemption of some or all the applicable Building Development application fees of a particular application which are necessitated due to changes to developments made at the request of the Spatial Development Planning department of the Stellenbosch Municipality in the interests of environmental or heritage conservation.
- In cases where a successful land claimant submits a building plan for a purely non-residential development (which does not include any residential development) on land so obtained, such non-residential application is subject to all the fees applicable to any other similar application which was not obtained by way of the Restitution of Land Rights Act.
- If a successful land claimant submits a building plan for a mixed use development (which includes non-residential development) on land so obtained, such non-residential building plan gets charged the normal fees as specific for such application as if the non-residential part of the application is a separate application from the residential part of the development.

### **Permission for reconstruction of existing building constituting a non-conforming use**

- 2.15 Permission required for the reconstruction of an existing building that constitutes a non-conforming use that is destroyed or damaged to the extent that it is necessary to demolish a substantial part of the building. This fee is payable per application.

### **Naming and numbering of Streets, Places and Buildings**

- 2.16 This fee is payable per application submitted.

### **Renaming of Streets, Places and Buildings**

- 2.17 This fee is payable per application submitted.

## **3 ADVERTISING FEES**

### **Advertising framework**

- 3.1 Advertising: is required in terms of the relevant land use legislation.
- 3.2 Advertising will be done in accordance with the land use legislation and fees will be charged accordingly.
- 3.3 Advertising in the press and advertising which consists of the serving of notices to interested and affected parties are charged independently (with different fees being applicable). No 'serving of notice' fee is applicable when notifying the applicant of the outcome of an application or notifying any objectors of the right of appeal.

### **Advertising in the press**

- 3.4 The fee for advertising in the press is applicable whenever press advertising is required in a local weekly newspaper or daily newspaper and/or Provincial Gazette. This fee is only payable when Council undertakes the advertising.
- 3.5 Advertising in the press is a basic advertising fee. Should the actual costs be more, the applicant is liable for such extra costs upon receipt of a quote.
- 3.6 Composite applications for the same property when advertised collectively in the press carry a single advertising fee.

### **Serving of notices**

- 3.7 The fee for serving of notices is payable when Council conducts the serving of notices. This fee is not applicable when the applicant conducts the advertising.
- 3.8 The fee applicable for every 10 notices or part thereof to be served by Council is depicted in the schedule.
- 3.9 The 'serving of notices' fee is also applicable when notices are delivered by Council to interested and affected parties.

## **4 OTHER**

### **Deviation from Council Policies and By-laws**

- 4.1 Deviation from Council Policies and By-laws are charged per application per property.

### **Appeal**

- 4.2 Appeal fees are charged and are payable per appeal submitted in respect of any decision taken by Council.

- 4.3 This fee is payable per application submitted. The fee is refundable on obtaining intervener status.

### **Transfer clearance**

- 4.4 Transfer clearance fees are payable per erf for which application is made for clearance in terms of the applicable land use legislation.

### **Zoning Certificate**

- 4.5 This fee is payable when a formal zoning certificate is issued. Payment of this fee is required in respect of each erf for which a zoning certificate is requested.

### **Business Licence**

- 4.6 This fee is payable in respect of each application received for the issuing of a business licence.

## **5 CONTRAVENTION PENALTY**

- 5.1 Contravention penalty is applied in accordance with a Council Policy, By-law and/or any such enabling planning legislation and associated provisions.

- 5.2 A contravention penalty as stipulated in terms of section 88 (1) (g) of the Stellenbosch Municipal Land Use Planning By-Law, dated 20 October 2015, is payable within 30 days after approval of the utilization of the land and/or construction activity.
- 5.3 The Contravention penalty is payable within 30 days from date of approval of the land use application that was submitted as a result of a contravention notice that was served.
- 5.7 If the property is to be transferred, the Municipality will only issue a certificate in terms of section 28 of the Stellenbosch Municipal Land Use Planning By-Law dated 20 October 2015, upon proof of payment of the contravention penalty.
- 5.5 No occupancy certificate for the building construction will be issued unless proof of the payment of the contravention penalty is submitted by the applicant.
- 5.6 Formula for Contravention Penalty: **((actual area/m<sup>2</sup> multiply by penalty rate A) + (indirect area /m<sup>2</sup> multiply by penalty rate B)) x (valuation/m<sup>2</sup>) = R/m<sup>2</sup>**  
*The area of the construction activity (actual area per square meter x penalty rate A) and/or land area (indirect area per square meter x penalty rate B) that is unlawfully utilised in terms of the relevant zoning of the property) multiplied by (the municipal value per square meter (m<sup>2</sup>) of the land and/or building as stipulated in the current valuation roll of the municipality as on the date that is indicated on the contravention notice)*
- 5.7 **Definitions :**
- 5.7.1 "Area" refers to the utilisation of the land and/or work on the land and/or construction activity on the land and/or any building on the land and/or structure on the land that is being utilised in a manner other than permitted in the zoning scheme without the prior approval of the municipality.
- 5.7.2 "Valuation" refers to the municipal valuation of any land and/or building as indicated in the current Municipal Valuation Roll.
- 5.7.3 "Date" refers to the date as indicated on the contravention notice.
- 5.7.4 "Property value" refers to the Value of property as reflected in the most recent municipal valuation roll.
- 5.7.5 "Valuation year" refers to the year of the last municipal valuation.
- 5.7.6 "Annual adjustment" refers to the Value adjustment (if any) on house price index or any other approved by the municipality.
- 5.7.7 "Size of property" refers to the area in square meters of the property as indicated on the title deed.
- 5.7.8 "Direct area of contravention" refers to the area in which the contravention occurs, e.g. rooms, floor area, coverage, and contravention measured in square meters.
- 5.7.9 "Indirect area of contravention" refers to the area complementary to the contravention, e.g. area used for parking, storage, outdoor activities or purposes.
- 5.7.10 "Penalty Rate A" refers to the rate at which penalty amount will be calculated on area of contravention as approved annually by Council.
- 5.7.11 "Penalty Rate B" refers to the rate at which penalty amount will be calculated on indirect area of contravention as approved annually by Council.
- 5.7.12 "Amount payable" refers to the total amount payable as a contravention penalty in terms of the relevant bylaw.

## **6 PRINTING FEES**

- 6.1 Printing fees are charged per page according to size and colour. The three types of copies/prints are mono (black & white), Colour line prints and Full Colour prints (photo). Copies will only be made in the sizes that are available at a particular office.
- 6.2 The fee charged for electronic information does not include the CD, which must be supplied by the applicant.
- 6.3 Search fees are charged per half hour when the requested information takes 30 minutes or more to find or produce. If information is specifically requested in terms of the Access of Information Act, the relevant fees as prescribed in terms of that Act applies.

## **SPATIAL PLANNING, HERITAGE AND ENVIRONMENT**

### **7 PLANNING ADVISORY COMMITTEE SCRUTINY FEE**

- 7.1 Planning Advisory Committee Scrutiny fees (Aesthetics Committee) are charged when a matter needs to be submitted to the Planning Advisory Committee (Heritage/Aesthetics Committee) for scrutiny, when buildings are older than 60 years or situated in the historical core. The fees are payable per application and are categorized as follows:
  - 7.1.1 Minor alterations to existing buildings <500m<sup>2</sup>;
  - 7.1.2 Major alterations to existing buildings >500m<sup>2</sup> and new developments.

### **8 COMPLEXITY FEES (ADDITIONAL FEES FOR HIGH IMPACT APPLICATIONS) AND AMENDMENT OF URBAN EDGES.**

#### **Description**

- 8.1 Additional fees are charged on top of the basic application fees when a Heritage Impact Assessment (HIA), Environmental Impact Assessment (EIA) and Traffic Impact Statement / Assessment (TIA/S) are required, since such applications are more complex and involve more work. The complexity fees are charged to cover additional expenses due to the processing of complex applications, resulting from the fact that such applications normally are more complicated to process and due to the fact that it requires input from specialised staff which would not normally be involved in the assessment of applications which doesn't require an impact statement/assessment. The EIA and HIA fees are charged up front like all other fees if the application requires assessment in terms of the NEMA and/or NHRA. If an EIA and/or HIA fee has been paid when the SPLUMA/LUPA/By-law application was submitted and it turns out in the end that it did not lead to a full EIA / HIA, the EIA/HIA fee is not refundable. Complexity fees are charged per assessment/study and the amendment of urban edges are charged per application.

### **9 APPLICATION FOR SIGNAGE**

- 9.1 Application fees for signage (including flags) are paid in respect of each sign applied for. A minimum fee for signs smaller than 1m<sup>2</sup> is in place, but when signs are larger than 1m<sup>2</sup>, the minimum fee plus the enhancement fee will be payable for every additional m<sup>2</sup>.

## 10 EXEMPTIONS

- 10.1 All applications submitted by or on behalf of Council are exempt from all the application, advertising and other fees in the attached table. This exemption only applies to applications made by Council or where Council is the developer. All other government institutions must pay the normal fees.
- 10.2 Applications for the establishment of state, provincial and/or council subsidised housing schemes are exempt from all the application and other fees in the attached table. Advertising fees are payable in this regard. Application fees are, however applicable in subsidized housing areas after the establishment of the areas has been completed; subject to the conditions in the establishment of any of the less formal townships.
- 10.3 All applications required to address / give effect to successful resettlement claims in terms of the Restitution of Land Rights Act, as well as in cases where land has been allocated to a successful claimant, such claimant is allowed to submit only one application, for residential development only (but including subdivision, removal of restrictions, etc, related to such residential development), which application(s) are exempt from all the application and other fees in the attached table. Advertising fees are payable in this regard. If a successful land claimant submits a mixed use development application (which includes non-residential development) on land so obtained, such non-residential development gets charged the normal fees as specified for such application, including advertising and service of notice fees, as if the non-residential part of the application is a separate application from the residential part of the development. In cases where a successful land claimant submits a purely non-residential development application (which does not includes any residential development) on land so obtained, such non-residential development application is subject to all the fees applicable to any other similar application which wasn't obtained by way of the Restitution of Land Rights Act/Rural Act 9.
- 10.4 The above fees, if not specifically exempted, also applies to applications in the BCDA areas where Council is the commenting authority.
- 10.5 The Director : Planning & Economic Development may grant or refuse applications for the exemption of some or all the applicable fees of particular applications which are necessitated due to changes to the developments made at the request of the Environmental Management Services in the interest of environmental or heritage conservation.
