Geagte Inwoner

Stellenbosch Munisipaliteit sal binnekort begin met die opgradering van die oorhoofse elektriese netwerk in u area. Die oorhoofs bedrading sal met ondergrondse kables vervang word.

U sal vroegtydig in kennis gestel word indien daar enige onderbrekings in die kragtoever na u area gaan wees.

Alle opritte wat deur ons beskadig word, sal deur die Munisipaliteit herstel word. Indien u reeds hulse (pype) onder opritte het, kontak asb ons ondergenoemde waarnemende Superintendent.

Die opgradering behels die vervanging van gevaarlike en onooglike oorhoofse geleiers met ondergrondse kables.

Die oorhoofse huishoudelike aansluitings is ongelukkig die eienaar se verantwoordelikheid. Om eienaars te akkommodeer sal die Munisipaliteit nuwe toevoer kables gratis tot op die erf grens verskaf en installeer as deel van die projek.

**Die projek sal ongeveer 1 maand duur vanaf datum van hierdie kennisgewing.**
