OCTOBER IS TRANSPORT MONTH

We are serious about rethinking the way we get around. This Transport Month, we are:

- Partnering with *Mellow Cabs* for a park-and-ride project where feeder shuttles will service the CBD area;
- Hosting a transport exhibition and information session in the Plein Street Library Hall on **19 October 2018**;
- Promoting cycling and walking as a viable mode of transport in our towns.

Share a ride, use public transport and #Bike2Work this October

Do the right transport mix!

For further details, please contact our Transport Department on 021 808 8222
