The following Questions were raised at the site meeting and were answered as follows:

Question 1:

One of the potential bidder indicated that when a search for the selected list of CSD registered service providers was done using the query reference number 3300 as provided by Stellenbosch Municipality the list could not be found. The bidder asked if the reference number provided was correct.

Answer:

Bidders were advised to use a procurement reference number of B/SM 67/21 when searching on the CSD website. The reference number of 3300 is for municipal employees registered from the CSD website, therefore an addendum will be done to provide a correct reference number to be used by the bidders.
