Stellenbosch Comprehensive Integrated Transport Plan Survey 2022

Complete our CITP survey and help inform future transport plans for Stellenbosch.

We invite you to share your travel patterns, needs and challenges so that we can plan better for future transport-related needs across Stellenbosch. The more we know about how and why you travel, and the general details of your destinations, the better we can prepare for the future.

The survey is available digitally and in hard copy. Complete the online survey by visiting <https://www.surveymonkey.com/r/M33TV9N>

It will take less than ten minutes to complete, and you do not need to share any of your personal details. We are simply interested in your travel patterns, needs and challenges. The information you give will not be made public or shared in accordance with the Protection of Personal Information Act.

The deadline to complete the survey is 06 May 2022.
