Revised information

The following Questions were raised at the site meeting and were answered as follows:

Question 1: How many trucks are needed for this contract?

Answer: *The number of bins stated as an estimate, should give an indication of the number of trucks needed to service the total number of bins.*

Question 2: Should additional bins be provided, other than those being used?

Answer: *There should at all times be empty bins available, ready to be filled, and as a replacement for filled bins removed off site. The estimated quantity for rental of bins is indicated in the pricing schedule.*

Question 3: The bins, should it be the normal Roll On Roll Off bins?

Answer: *The bins Roll On Roll Off bins used in the waste industry, and should not be shipping containers with swing doors.*
