Sir / Madam

APPLICATION IN TERMS OF SECTION 15(2)(c) FOR A TEMPORARY DEPARTURE ON ERF 13422, STELLENBOSCH

1. The above application refers.
2. The duly authorised decision maker has decided on the above application as follows:
 - 2.1 That the following application in terms of Section 15(2)(c) of the Stellenbosch Municipal Land Use Planning Bylaw, for a Temporary Departure to use a portion of the existing building on Erf 13422, Stellenbosch, for a Place of Education.

BE REFUSED in terms of Section 60 of the said Bylaw.

The reasons for the above decision are as follows:

- 2.2 The proposal is not seen to be a subservient use of the property for office purposes as the proposal requires a large portion of the property to be used to accommodate an outside recreational area for the students.
- 2.3 The use of the outside recreational area by the students could have a negative impact on the surrounding properties due to the noise that may generated by the learners making use of the outdoor recreational space.

2.4 The proposed use of the property for educational purposes is not seen as an integrated land use of Technopark and thus the proposal will generate additional traffic volumes as the scholars attending the educational facility will be solely reliant on private transport to attend the school.

2.5 The proposal is not supported by the 2023 SDF as Technopark has been identified as an area which should be retained as a technology focused science park for companies in the technology, innovation and sustainability field can locate their operations.
