PUBLIC NOTICE

CLOSURE OF THOROUGHFARES IN CLOETESVILLE

Municipal Notice No. 57/2024

Notice is hereby given, in terms of the Municipal Council's Recommendations, Item 11.6.5 of the 22nd Council Meeting held on 25th of April 2024, to inform the public of Council's intention to:

- a) Close the thoroughfare, next to the Old Apostolic Church, linking Curry and Eike Roads.
- b) Close and implement access control on the throughfare between Williams Road and the R44.

The Municipality aims to create a safe environment for all who visit, live or work in Stellenbosch. In certain neighbourhoods however, thoroughfares have become crime hotspots, putting the safety of the community at risk.

The closure of the thoroughfare next to the Old Apostolic Church will improve safety in the area since many crimes have been committed here. A link between Eike and Curry Streets via Quarry or Lang Streets is a safe alternative that can be used by pedestrians.

The closure and implementation of access control at the Williams Street thoroughfare comprises the installation of gates. Pedestrian movements will not be affected since the gates will be opened during the day and locked only at night. The local Neighbourhood Watch will assist the Municipality with access control.

The Municipality will erect appropriate signage on site (at the above locations), that will notify affected residents and pedestrians of the intended closure and access control.

For further information please contact our office on 021 808 8222.
