RE: SCHEDULED MAINTENANCE WORK AT WEMMERSHOEK WATER TREATMENT PLANT - **POSTPONED**

The City of Cape Town Water and Sanitation Department had planned a shutdown for the Wemmershoek Water Treatment Plant to accommodate maintenance at the water purification plant. However, due to unforeseen treatment plant emergencies and low storage on the City of Cape Town system, this planned work has been postponed.

The 48-hour shutdown has been rescheduled for **Wednesday, 11 June 2025**, from 00:01 to **Thursday, 12 June 2025**, at 23:59. The areas that may be affected include parts of the Drakenstein and Stellenbosch Municipalities, as well as private consumers along the Wemmershoek pipeline.

We appreciate your understanding and cooperation. The City regrets any inconvenience caused.
