Dear Consumer

The supply of electricity to your premises will be interrupted for the period shown above due to maintenance work being carried out by Eskom.

The supply may be restored within a shorter period and must therefore be deemed live at all times.

Please switch off sensitive equipment to avoid damages thereto during the re-energising of the supply.

Stellenbosch Municipality Officials will coordinate with Eskom Officials for progress updates.

Please inform your security company of the supply interruption.

For any further information, please contact Stellenbosch Municipality at 021 808 8343/021 808 8957 /021 808 8215 /021 808 8953/ 021 808 8106 or via WhatsApp 076 951 0768 or send an email to engineering.services@stellenbosch.gov.za
