Geagte Verbruiker

Die toevoer van elektrisiteit na u perseel sal onderbreek word vir die tydperk soos hierbo getoon as gevolg van verskuiwing van die Eskom hoogspanningstrukture om voorsiening te maak vir die konstruksie van die nuwe stortingssterrein sel 4.

Die toevoer kan binne 'n korter tydperk herstel word en moet dus te alle tye as lewendig beskou word. Skakel asseblief sensitiewe toerusting af om skade daaraan te voorkom tydens die herbekragtiging van die toevoer.

Amptenare van Stellenbosch Munisipaliteit sal met Eskom-amptenare koördineer vir vorderingsopdaterings.

Stel asseblief ook u sekuriteitsfirma in kennis van die onderbreking.

Vir enige verdere inligting, kontak asseblief Stellenbosch Munisipaliteit by 021 808 8343/021 808 8957 /021 808 8215 /021 808 8953/ 021 808 8106 of via WhatsApp 076 951 0768 of stuur 'n e-pos na engineering.services@stellenbosch.gov.za

Dear Consumer

The supply of electricity to your area will be disrupted during the period indicated above due to relocation of the Eskom pylons to make provision for the construction of the new landfill cell 4.

The supply may be restored within a shorter period and must therefore be deemed live at all times. Please switch off sensitive equipment to avoid damages thereto during the re-energising of the supply.

Stellenbosch Municipality Officials will coordinate with Eskom Officials for progress updates.

Also please inform your security company of the supply interruption.

For any further information, please contact Stellenbosch Municipality at 021 808 8343/021 808 8957 /021 808 8215 /021 808 8953/ 021 808 8106 or via WhatsApp 076 951 0768 or send an email to engineering.services@stellenbosch.gov.za
