Recycling Guidelines

Ways to reduce waste and achieve
**A CLEAN,
GREEN
TOWN!**

As part of our commitment to becoming a greener and more sustainable valley, we launched a brand new waste material recovery facility (MRF), located in Adam Tas Road. This state of the art facility will serve as a place where recyclables are taken, grouped, baled and provided to companies for use as raw material in the manufacturing of new products.

The municipality provides a collection system where black wheelie bins and clear bags are collected once a week.

I CAN RECYCLE

- Paper, newspapers, magazines, flattened cardboard
- Glass/plastic bottles & jars
- Empty bags, containers, bread tags & cling wrap
- Food tins, cans, foil, scrap metal & empty aerosol cans
- Foil-lined juice boxes & milk containers
- Polystyrene products

SEPARATE:

recyclable
material into
the clear bag

non-recyclable
waste into the
wheelie bin

I CAN'T RECYCLE

- Disposable nappies & sanitary items
- Hazardous household waste
- Wet or dirty items
- Adhesive & laminated paper
- Dry dog & cat food bags
- Cigarette butts
- Organic waste & food scraps
- Clothing & shoes
