What to do with your Household Hazardous Waste

Do you have **hazardous flammable, toxic, corrosive** products at home?

You can dispose of these products safely and **FOR FREE!**

COMMON PRODUCTS:

- Aerosols
- Anti-freeze
- Fertilisers, pesticides & herbicides
- Used oil
- Paint
- Poison & solvents (turpentine, thinners, paraffin, benzene, etc.)
- Florescent tubes & globes
- Batteries
- Chemical cleaning supplies
- Pool cleaner
- Oxidisers (bleach, pool chemical, etc.)

You can bring it to our drop off area at the landfill site for safe disposal!

Adam Tas Road, Stellenbosch

- Bring the products in a box.
- If possible, keep the products in their original, labelled containers.
- Be sure to keep products separate, never mix the content.
