Sir/Madam

APPLICATION FOR CONSENT USE ON ERF 66 FRANSCHHOEK

1. The above application refers.

2. The duly authorised decision maker has decided on the above application as follows:

   2.1 That the following application(s) in terms of Section 15(2) of the Stellenbosch Municipal Land Use Planning Bylaw on Erf 66, Franschhoek for:

   2.2 Consent Use in terms of Section 15 (2) (o) of the said bylaw in order to utilise the existing four (4) bedrooms dwelling unit as tourist dwelling unit.

BE APPROVED in terms of Section 60 of the said Bylaw and subject to conditions of approval.

3. The approval is subject to the following conditions imposed in terms of Section 66 of the said Bylaw:

   3.1 The approval only applies to the proposed application under consideration and shall not be construed as authority to depart from any other legal prescriptions or requirements from Council or other legislation or Bylaws or Regulations that may be applicable.

   3.2 The approval granted shall not exempt the applicant from complying with any other legal prescriptions or requirements that might have a bearing on the proposed use.

3.3 The development be implemented in accordance with the Site Development Plan (ground floor & first floor), referenced as drawing no: 201, project no: 07/022, drawn by: HN (Jan Desseyn architects), dated 2008-04-24 and parking layout plan dated 2024-10-14, drawn by AROUX town planning.

3.4 The tourist dwelling unit be limited to **four (4) bedrooms** and a maximum of 8 paying guests or lodgers shall be permitted at any one time.

3.5 A contravention penalty of R25 000 is payable within 30 days from date of the subject approval in respect of the unlawful utilisation of land.

3.6 Development charges are payable in accordance with the prevailing and applicable Council Tariffs at the time of payment and within 30 days of the decision on the application.

3.7 The land use shall not create any undue noise or be a nuisance to the neighbourhood and that precautionary measures be taken in order to avoid environmental noise pollution in terms of the Noise Control Regulations (PN627 dated 20 November 1998) made in terms of Section 25 of the Environmental Conservation Act, 1989 (Act No 73 of 1989).

3.8 This approval is valid for **five (5) years** from date of final notification.

4. The **reasons** for the above decision are as follows:

4.1 The scale and nature of the proposed development will not compromise the existing character of the surrounding landscape.

4.2 The proposal is in line with the existing land use of the property and will not have a negative impact on the character of the surrounding area.

4.3 Sufficient parking has been provided on site.

5. Matters **to be noted**:

5.1 Should, after following due process –

a) The subject approved land use remains in breach of complying with any of the conditions of approval required for the vesting of the subject approval, and/ or,

b) The operational use of the facilities be in breach of any of the conditions of approval, inclusive of persistent complaints of undue noise levels, and/ or,

c) The property be used for any unauthorised uses not permitted in terms of this approval, the authorised official of the Municipality will exercise its discretion in terms of Section 90(c) of the Municipal Land Use Planning By-Law to withdraw the subject approval granted and the building structures to be reverted to uses in line with the primary use of the property.

6. You are hereby informed in terms of section 79(2) of the Stellenbosch Municipal Land Use Planning Bylaw of your right to appeal the above decision to the Appeal Authority within 21 days from the date of notification of the above decision. Please note that no late appeals or an extension of time for the submission of appeals are permitted in terms of Section 80(1)(a) of the said By-Law.

7. Appeals must be submitted by completing the required form with the prescribed information to satisfy the requirements of Section 80(2) of the said By-law, failing which the appeal will be invalid in terms of Section 81(1)(b) of the said By-Law.

8. **Appeals must be addressed to the Municipal Manager and submitted to his/ her designated official by means of e-mail at the following address: landuse.appeals@stellenbosch.gov.za**

9. Any party (applicant or other) who lodges an appeal must pay the applicable appeal fee in terms of the approved municipal tariffs and submit the proof of payment together with the appeal. The **LU** Reference number on this correspondence, or the applicable Erf/ Farm Number must be used as the reference for the payment of the appeal fee.

10. The appeal form and approved tariff structure and the banking details for the General Account can be accessed and viewed on the municipal website. For any enquiries the office can be contacted at landuse.appeals@stellenbosch.gov.za or 021- 808 8684.

11. An applicant who lodges an appeal must also adhere to the following requirements stipulated in terms of section 80(3) to (7) of the said By-law:

(a) Simultaneously serve the appeal on any person who commented on the application concerned and any other person as the municipality may determine.
(b) The notice by the applicant must invite persons to comment on the appeal within 21 days from date of notification of the appeal.
(c) The notice must be served in accordance with section 35 of the said legislation and in accordance with the prescripts or such additional requirements as may be determined by the Municipality.
(d) Proof of serving the notification must be submitted to the Municipality at the above E-mail address within 14 days of serving the notification.

12. Kindly note that no appeal right exists in terms of Section 62 of the Local Government Municipal Systems Act, No 32 of 2000.

13. Kindly note the above decision in the case of any approval, is suspended, and may therefore not be acted on, until such time as the period for lodging appeals has lapsed, any appeal has been finalised and you've been advised accordingly.

Yours faithfully

LAND USE APPLICATION: CONTRAVENTION PENALTY

Council Tariffs 2025/26

#	Penalty Type	Unit of Measure	Amount
1	**Applicable to any property with a residential zoning, or a dwelling unit permitted in another zoning, and which dwelling unit is the primary residential unit and will continue to be used primarily for the continued purpose as a permanent residence and with no change in the base zone or if no additional land use rights will be obtained.**		
1a	The retrospective approval of any unauthorised permanent departure from a prescribed development parameter that resulted from the unauthorised commencement of any structural changes or additions to existing structures or buildings, or newly built structures or buildings associated with a dwelling unit.	Per application and/ or per distinguishable structure for which a land use approval is required for the departures required to authorise the changes, additions or development.	5 000
1b	Retrospective approval of an unauthorised land use activity that is being conducted from any dwelling unit where no unauthorised material structural changes or additions have been undertaken or unauthorised new structures have been developed to facilitate the unauthorised land use activity.	Per application and per Dwelling Unit where applicable	10 000
1c	Retrospective approval of an unauthorised land use activity that is being conducted from any dwelling unit where unauthorised material structural changes or additions have been undertaken or unauthorised new structures have been developed to facilitate the unauthorised land use activity.	Per application and per Dwelling Unit where applicable	25 000
2	**Applicable to any property with a residential zoning, or a dwelling unit permitted in another zoning, and in which instance the subject dwelling unit is or will no longer be used primarily for the continued purpose as a permanent residence and / or if the base zone will change or additional land use rights will be obtained, and will also be applicable to residential units that is not the primary residential unit or will forthwith be used primarily for any lodging or tourism related accommodation.**		
2a	The retrospective approval of any unauthorised permanent departure from a prescribed development parameter that resulted from the unauthorised commencement of any structural changes or additions to existing structures or buildings, or newly built structures or buildings associated with a dwelling unit.	Per application and/ or per distinguishable structure for which a land use approval is required for the departures required to authorise the changes, additions or development.	10 000
2b	Retrospective approval of an unauthorised land use activity that is being conducted from any dwelling unit where no unauthorised material structural changes or additions have been undertaken or unauthorised new structures have been developed to facilitate the unauthorised land use activity.	Per application and per Dwelling Unit or separate structures where applicable	25 000

2c	Contravention penalty related to any dwelling unit where unauthorised material structural changes or additions have been undertaken or unauthorised new structures have been developed to facilitate the unauthorised land use activity.	Per application and per Dwelling Unit or separate structures where applicable	50 000
3	**Applicable to any property that is not zoned for a residential zoning and / or any structure which are not a dwelling unit and used primarily for the purpose as a permanent residence.**		
3a	The retrospective approval of any unauthorised permanent departure from a prescribed development parameter that resulted from the unauthorised commencement of any structural changes or additions to existing structures or buildings, or newly built structures or buildings, irrespective if any new or additional land use rights resulted from such contravention.	Per application and/ or per distinguishable structure for which a land use approval is required for the departures required to authorise the changes, additions or development.	50 000
3b	The retrospective approval of an unauthorised land use activity being conducted from any property and where no unauthorised material structural changes or additions have been undertaken or unauthorised new structures have been developed to facilitate the unauthorised land use activity.	Per application or each required type of approval granted or associated separate structure as may be applicable.	100 000
3c	The retrospective approval of any unauthorised land use activity where there were unauthorised material structural changes or additions or where new unauthorised structures have been developed to facilitate the unauthorised land use activity.	Per application or each required type of approval granted or associated separate structure as may be applicable.	250 000
