FRANSCHHOEK PARKING MANAGEMENT

Please note that parking management will be implemented along the Main Road in Franschhoek from the 1st of July 2025.

Parking management is being implemented in terms of the Municipal Council's Resolution, taken at the 14th Meeting of the Council (Item 11.6.2 held on 24th May 2024) and comprises the application of parking tariffs and the associated collection of fees for parking.

The parking tariff of R10.00 per hour has been included in the approved Municipal Tariffs for the 2025 - 2026 financial year.

The Municipality has upgraded its parking area, at the corner of Dirkie Uys and La Rochelle Streets, where free parking will still be provided.
