

MUNICIPAL NOTICE 03/2026

**ONDERBREKING VAN ELEKTRISITEIT TOEVOER
NA: FARMERS 1 & 3, FRANSCHHOEK**

**DATUM: SONDAG, 18 JANUARIE 2026
TYD: 09H00 – 14H00**

Geagte Verbruiker

Die voorsiening van elektrisiteit na u area sal gedurende die bogenoemde tydperk ontwrig word sodat Eskom herstelwerk aan Wemmershoek Skuifraam se 66kV bo-lyn kan doen. Die Wemmershoek Skuifraam 66kV bo-lyn kruis die Wemmershoek Farmers 1 en Farmers 3 11kV oorhoofse lyne wat geïsoleer moet word om die padkruising te finaliseer.

Die toevoer kan binne 'n korter tydperk herstel word en moet dus te alle tye as lewendig beskou word. Skakel asseblief sensitiewe toerusting af om skade daaraan te voorkom tydens die herbevestiging van die toevoer.

Stel asseblief ook u sekuriteitsfirma in kennis van die onderbreking.

Vir enige verdere inligting, kontak asseblief Stellenbosch Munisipaliteit by 021 808 8343/021 808 8957 /021 808 8215 /021 808 8953/ 021 808 8106 of via WhatsApp 076 951 0768 of stuur 'n e-pos na engineering.services@stellenbosch.gov.za

**DISCONNECTION OF ELECTRICITY SUPPLY TO:
FARMERS 1 & 3, FRANSCHHOEK**

**DATE: SUNDAY, 18 JANUARY 2026
TIME: 09H00 – 14H00**

Dear Consumer

The supply of electricity to your area will be disrupted during the period indicated above so that Eskom can do repairs on Wemmershoek Skuifraam 66kV overhead line. The Wemmershoek Skuifraam 66kV overhead line crosses the Wemmershoek Farmers 1 and Farmers 3 11kV Overhead lines that needs to be isolated in order to finalise the pulling of the road crossing.

The supply may be restored within a shorter period and must therefore be deemed live at all times. Please switch off sensitive equipment to avoid damages thereto during the re-energising of the supply.

Also please inform your security company of the supply interruption.

For any further information, please contact Stellenbosch Municipality at 021 808 8343/021 808 8957 /021 808 8215 /021 808 8953/ 021 808 8106 or via WhatsApp 076 951 0768 or send an email to engineering.services@stellenbosch.gov.za
