19.7	Grab rails as well as non slip steps on the nearside (kerbside) of the vehicle is required.		Y ☐ N ☐
19.8	A hand rail is to be fitted along the roof of the crew cab for the crew to hold on to for safe riding		Y ☐ N ☐

2. Remove: Please note the following: 4. Different service providers may be appointed as part of this tender, but only one service provider will be appointed per learning area. (Page 94).

The following Questions were raised at the site meeting and were answered as follows:

Question 1: If provision of a crew cab that is compliant to Road Safety Act is part of the specs.

Answer: The Department will go through Annexure 1 to confirm if the Crew Cab has been included as part of the specifications, if not an Addendum will be drafted.

Question 2: If the following line is correct: **Please note the following: 4.** Different service providers may be appointed as part of this tender, but only one service provider will be appointed per learning area. (Page 94)

Answer: The sentence was included erroneously and should be omitted.

**CHAIRPERSON
BID SPECIFICATIONS COMMITTEE**
