As per e-mail:

Dear Sir /Madam

NOTICE TO BIDDERS

ADDENDUM: TENDER B/SM : 91/26 OPERATION AND MAINTENANCE MANAGEMENT OF STELLENBOSCH, WENNERSHOEK AND PNIEL WWTW UNTIL 30 JUNE 2026

The compulsory site meeting held on 21st of April 2026 at the Stellenbosch Wastewater Works at 14:00, has reference.

The following Questions were raised at the site meeting, via email and were answered as follows:

Question 1: On Schedule 22 the Plant Manager requires and NQF 7 qualification and on Schedule it an NQF 8

Answer: As agreed at BSC meeting, the NQF 7 qualification is correct.

Question 2: Who will obtain quotations for work to be executed using the lump sum in the BoQ

Answer: As agreed with the specification committee, Contractor to submit specifications to the Municipality who facilitate the process to obtain quotations and provide the necessary approval.

Question 3: Must the process staff be appointed on a maximum of one-year contracts.

Answer: The contractor can appoint all staff for a 3-year period, consistent with the appointment duration of the Main Contractor for the period ending 30 June 2029.

Question 4: Section C 3.5.8 General housekeeping is insufficient

Answer: In the BoQ Item (A.8) the contractor must price for 36 months for one General worker and not for 6 months as stipulated in the BoQ.

Question 5: What rate will be applied for overtime or call out hours for Millwright, Electrician and Fitters

Answer: It will be paid through contingencies, the normal rates provided for in the Bill of Quantities will apply.

Question 6: Clarification with regards to ISO certification

Answer: The only ISO certification required will be 9001:2015 (Quality Management), all the other stipulated ISO certification will not be required.

Question 7: Performance security amount?

Answer: The performance security and guarantee will be set at 10% of the annual contract value

Question 8: Must the Plant Manger be a Qualified Engineer?

Answer: A minimum NQF 7 qualification in Wastewater treatment, Chemical Engineering or Process Engineering.

Question 9: Liabilities insurance?

Answer: The combined liabilities under the contract will be set at 10% of the total contract value.
